

HB 1051 -- Women's Health Services Program

Sponsor: Johnson (47)

This bill requires the Department of Health and Senior Services to implement a Missouri women's health services program, with the goal of reducing the number of unintended pregnancies. The service program will include, but is not limited to:

- (1) Breast and cervical cancer checks;
- (2) Screening and treatment for sexually transmitted diseases;
- (3) Counseling and education on the dangers of smoking, alcohol, and drug use during a pregnancy; and
- (4) Education on sexual coercion and violence in relationships.
