

HB 1090 -- Medical Imaging and Radiation Therapy

Sponsor: Schaaf

This bill establishes the Medical Imaging and Radiation Therapy Quality Assurance Act of 2006. The bill:

- (1) Creates the Medical Imaging and Radiation Therapy Board of Examiners within the Division of Professional Registration;
- (2) Requires all persons administering medical imaging and radiation therapy procedures to be licensed by the board;
- (3) Exempts physicians, veterinarians, dentists, chiropractors, podiatrists, registered nurses, and certain qualified persons currently practicing medical imaging and radiation therapy from licensure;
- (4) Establishes certain criteria to be met by applicants for licensure as radiographers, radiation therapists, nuclear medicine technologists, and dental radiographers;
- (5) Authorizes the board to certify programs for medical imaging and radiation therapy in medical facilities, dental facilities, educational institutions, or other public or private institutions;
- (6) Authorizes the board to adopt rules; give examinations; waive examination requirements; establish continuing education; issue temporary permits; and renew, revoke, and suspend licenses;
- (7) Authorizes the board to investigate charges and allegations brought against licensees, issue subpoenas, hold hearings, render judgments, and hear appeals; and
- (8) Requires, beginning August 28, 2009, persons providing the technical component of diagnostic ultrasound services (sonography or vascular technology) to be credentialed or practice in an accredited laboratory.
