

HB 1234 -- Nursing Student Loan Repayment Program

Sponsor: Loehner

This bill changes two provisions of the Nursing Student Loan Repayment Program. "Eligible student" is redefined to mean a person who has been accepted as a full-time nursing student, rather than as a person who has applied for admission. Currently, 25% of the loan is forgiven for each year of employment; the bill revises the repayment provision to permit forgiveness through employment without mention of a specific schedule.
