

HB 1402 -- College Athletics

Sponsor: Wright (137)

This bill requires, beginning with the 2007-08 school year, every Missouri institution of higher education that participates in a National Collegiate Athletic Association (NCAA) division I sport to schedule a contest each year in that sport with every other in-state school with the same NCAA division I sport. A dispute over the location of the first year's contest will be settled by scheduling the contest at the University of Missouri site and alternate sites in the following years.
