

HB 1515 -- Collaborative Practice Reporting

Sponsor: Behnen

This bill requires physicians to report to the State Board of Registration for the Healing Arts any collaborative practice or physician assistant agreement entered into within 30 days of the agreement. Physicians are also required to provide the board with all their collaborative practice agreements when renewing their license. This information will be available to the public.

The board is authorized to conduct random audits and reviews of these agreements to determine whether licensees are in compliance with the provisions of the bill.
