

HB 1530 -- Collection of Debts by Attorney General

Sponsor: Storch

This bill authorizes the Attorney General to assess collection costs to any amount owed to the state more than 45 days delinquent. The Attorney General is required to give immediate notice to the indebted party of the amount owed. The Attorney General and the director of any department reporting a claim are authorized to settle the claim, provide a time extension for collection of the account, or add and assess fees to recover the cost of a check returned for insufficient funds if the action is in the best interest of the state.
