

HB 1636 -- Medical Assistance

Sponsor: Storch

This bill requires the Department of Social Services to determine if a child has health insurance or benefits six months after becoming ineligible for state medical assistance. Every year beginning in 2007, the department will report to the Governor and General Assembly the number of children who became ineligible for medical assistance during the fiscal year; the number of children who were ineligible for assistance for at least six months during that year; and the number of children who had health insurance or benefits six months after becoming ineligible for assistance.
