

HB 1773 -- Electronic Filing of Tax Forms

Sponsor: Sutherland

This bill authorizes the Department of Revenue to require electronic filing of motor fuel tax returns, estimated tax declarations, withholding tax statements, and sales and use tax returns after six-months' notice. Beginning on January 1, 2006, a preparer who files at least 200 individual income tax returns in the previous year must file electronically. The number of returns is reduced to 100 for 2007 and 50 for 2008.
