

HB 1841 -- Governor's Advisory Council on Agricultural Science and Technology

Sponsor: Myers

This bill establishes the Governor's Advisory Council on Agricultural Science and Technology consisting of five members appointed by the Governor. The council will be required to:

- (1) Apprise the Governor of new developments in science and technology;
- (2) Identify the state's long-term needs regarding science and technology;
- (3) Provide scientific inquiry into regulatory matters upon request by the Governor; and
- (4) Identify potential economic opportunities for the state in the plant biotechnology industry.
