

## HB 1875 -- Ballots at Polling Places

Sponsor: Deeken

This bill requires each election authority to provide polling places with at least one and one-third times the number of ballots that were cast at the polling place during an election held two years prior to the current election. For general elections, the authority must provide at least one and one-third times the number of ballots cast at the polling place during an election held four years prior to the current election. Currently, election authorities must provide polling places with 55 ballots for each 50 and fraction of 50 registered voters.
