

HB 2037 -- Analysis of Legislative Fiscal Notes

Sponsor: Harris (23)

Beginning in 2007 for legislation enacted in 2004 and every year thereafter, this bill requires the Oversight Division of the Joint Committee on Legislative Research to compare actual program revenues and expenses with the projections and other information provided in any fiscal note for the enacting legislation and present a report to the General Assembly on the correlation of fiscal note projections made for legislation enacted for the prior third-year period.
