

HB 2045 -- Compensation of Juvenile Officers

Sponsor: Franz

This bill redefines "juvenile court employee" to include those persons with service in a juvenile court position financed in whole or in part by a public or private grant.

Employees retiring before August 28, 2006, who apply to the board or trustees of the state retirement plan to be employed as a special consultant, will have their retirement benefits adjusted so the benefits are equal to the amount they would have received had the benefits been initially calculated to include the creditable service.
