

HB 2055 -- Faculty Representative on the Missouri State  
University Board of Regents

Sponsor: Lampe

This bill requires the Governor to appoint a nonvoting faculty representative to the Board of Regents of Missouri State University. The representative must be a full-time tenured faculty member, a United States citizen, and a Missouri resident chosen from a panel of three nominees selected by the faculty senate or its equivalent. The term will be three years, and no representative will serve more than two terms. The bill contains provisions regarding the filling of vacancies.
