171.029. The school board of any school district in the state, upon adoption of a resolution by the vote of a majority of all its members to authorize such action, may establish a four-day school week in lieu of a five-day school week. Upon adoption of a four-day school week, any school that adopts a four-day school week shall file a calendar with the department of elementary and secondary education in accordance with section 171.031. Such calendar shall include, but not be limited to, a minimum term of one hundred forty-two days and one thousand forty-four hours of actual pupil attendance.

2. If, after using the make-up days referred to in subsection 1, a district does not meet the requirement for a term of one hundred seventy-four days **for a school with a five-day school week or one hundred forty-two days for a school with a four-day workweek** of actual pupil attendance, it shall be required to make up no more than eight additional days of school lost or

20 4.] The commissioner of education may provide, for any school district in which schools
21 are in session for twelve months of each calendar year that cannot meet the minimum school
22 calendar requirement of at least one hundred seventy-four days **for schools with a five-day**
23 **school week or one hundred forty-two days for schools with a four-day school week** and one
24 thousand forty-four hours of actual pupil attendance, upon request, a waiver to be excused from
25 such requirement. This waiver shall be requested from the commissioner of education and may
26 be granted if the school was closed due to circumstances beyond school district control,
27 including inclement weather, flooding or fire.
