### AN ACT

To amend chapter 171, RSMo, by adding thereto one new section relating to school attendance in inclement weather, with an emergency clause.

---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Chapter 171, RSMo, is amended by adding thereto one new section, to be  
2 known as section 171.036, to read as follows:

171.036. For the 2006-2007 school year, all school districts shall be required to  
2 make up the first four days that are missed during the year due to inclement weather. In  
3 addition, all districts that miss more than four days shall be required to make up one-half  
4 of the next twelve days that are missed. For interpretation purposes, districts will be  
5 required to make up the even numbered days that are missed above four days. No district  
6 shall be required to make up more than ten days total, and all makeup days exceeding four  
7 shall be full days of school if the district chooses to make up only one-half of the days  
8 missed.

Section B. Because immediate action is necessary to clarify potential school scheduling  
2 and funding problems, section A of this act is deemed necessary for the immediate preservation  
3 of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act  
4 within the meaning of the constitution, and section A of this act shall be in full force and effect  
5 upon its passage and approval.
