34 d. The position holder in a terminal or refinery outside this state with respect to motor
35 fuel which that person imports into this state. A terminal operator shall not be considered a
36 supplier based solely on the fact that the terminal operator handles motor fuel consigned to it
37 within a terminal. "Supplier" also means a person that produces fuel grade alcohol or
38 alcohol-derivative substances in this state, produces fuel grade alcohol or alcohol-derivative
39 substances for import to this state into a terminal, or acquires upon import by truck, rail car or

49 fuel ethanol-blended gasoline.

50 4. [If a distributor is unable to obtain fuel ethanol or fuel ethanol-blended gasoline from
51 a position holder or supplier at the terminal at the same or lower price as unblended gasoline,
52 then the purchase of unblended gasoline by the distributor and the sale of the unblended gasoline
53 at retail shall not be deemed a violation of this section. The position holder, supplier, distributor,
54 and ultimate vendor shall, upon request, provide the required documentation regarding the sales
55 transaction and price of fuel ethanol, fuel ethanol-blended gasoline, and unblended gasoline to
56 the department of agriculture and the department of revenue. All information obtained by the
57 departments from such sources shall be confidential and not disclosed except by court order or
58 as otherwise provided by law.

59 5.] The following shall be exempt from the provisions of this section:

- 60 (1) Aviation fuel and automotive gasoline used in aircraft;
61 (2) Premium gasoline;
62 (3) E75-E85 fuel ethanol;

68 uses from the requirements of this section. The governor may by executive order waive the
69 requirements of this section or any part thereof in part or in whole for all or any portion of this
70 state for reasons related to air quality. Any regional waiver shall be issued and implemented in
71 such a way as to minimize putting any region of the state at a competitive advantage or
72 disadvantage with any other region of the state.

73 [6.] 5. The provisions of section 414.152 shall apply for purposes of enforcement of this
74 section.

75 [7.] 6. The department of agriculture is hereby authorized to promulgate rules to ensure
76 implementation of, and compliance and consistency with, this section. Any rule or portion of
77 a rule, as that term is defined in section 536.010, RSMo, that is created under the authority
78 delegated in this section shall become effective only if it complies with and is subject to all of
79 the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section
80 and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general
81 assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove
82 and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority
83 and any rule proposed or adopted after August 28, 2006, shall be invalid and void.

84 [8.] 7. All terminals in Missouri that sell gasoline shall offer for sale, in cooperation with
85 position holders and suppliers, fuel ethanol-blended gasoline, fuel ethanol, and unblended

86 gasoline. Terminals that only offer for sale federal reformulated gasolines, in cooperation with
87 position holders and suppliers, shall not be required to offer for sale unblended gasoline.

89 distributors, and marketers shall be allowed to purchase fuel ethanol from any terminal, position
90 holder, fuel ethanol producer, fuel ethanol wholesaler, or supplier. In the event a court of
91 competent jurisdiction finds that this subsection does not apply to or improperly impairs existing
92 contractual relationships, then this subsection shall only apply to and impact future contractual
93 relationships.
