26 2. All valid teaching certificates issued pursuant to law or state board policies and
27 regulations prior to September 1, 1988, shall be exempt from the professional development
28 requirements of this section and shall continue in effect until they expire, are revoked or

33 issued the appropriate level of certificate based upon the classification system established
34 pursuant to subsection 3 of this section.

35 3. Certificates of license to teach in the public schools of the state shall be based upon
36 minimum requirements prescribed by the state board of education. The state board shall provide

37 for the following levels of professional certification: an initial professional certificate and a
38 career continuous professional certificate.

39 (1) The initial professional certificate shall be issued upon completion of requirements
40 established by the state board of education and shall be valid based upon verification of actual
41 teaching within a specified time period established by the state board of education. The state
42 board shall require holders of the four-year initial professional certificate to:

43 (a) Participate in a mentoring program approved and provided by the district for a
44 minimum of two years;

45 (b) Complete thirty contact hours of professional development, which may include hours
46 spent in class in an appropriate college curriculum; and

47 (c) Participate in a beginning teacher assistance program;

48 (2) (a) The career continuous professional certificate shall be issued upon verification
49 of completion of four years of teaching under the initial professional certificate and upon
50 verification of the completion of the requirements articulated in paragraphs (a), (b), and (c) of
51 subdivision (1) of this subsection.

52 (b) The career continuous professional certificate shall be continuous based upon
53 verification of actual employment in an educational position as provided for in state board
54 guidelines and completion of fifteen contact hours of professional development per year which
55 may include hours spent in class in an appropriate college curriculum. Should the possessor of
56 a valid career continuous professional certificate fail, in any given year, to meet the fifteen-hour
57 professional development requirement, the possessor may, within two years, make up the
58 missing hours. In order to make up for missing hours, the possessor shall first complete the
59 fifteen-hour requirement for the current year and then may count hours in excess of the current
60 year requirement as make-up hours. Should the possessor fail to make up the missing hours
61 within two years, the certificate shall become inactive. In order to reactivate the certificate, the
62 possessor shall complete twenty-four contact hours of professional development which may
63 include hours spent in the classroom in an appropriate college curriculum within the six months
64 prior to or after reactivating his or her certificate. The requirements of this paragraph shall be
65 monitored and verified by the local school district which employs the holder of the career
66 continuous professional certificate.

67 (c) A holder of a career continuous professional certificate shall be exempt from the
68 professional development contact hour requirements of paragraph (b) of this subdivision if such
69 teacher has a local professional development plan in place within such teacher's school district
70 and meets two of the three following criteria:

71 a. Has ten years of teaching experience as defined by the state board of education;

72 b. Possesses a master's degree; or

73 c. Obtains a rigorous national certification as approved by the state board of education.

74 4. Policies and procedures shall be established by which a teacher who was not retained
75 due to a reduction in force may retain the current level of certification. There shall also be
76 established policies and procedures allowing a teacher who has not been employed in an
77 educational position for three years or more to reactivate his or her last level of certification by
78 completing twenty-four contact hours of professional development which may include hours
79 spent in the classroom in an appropriate college curriculum within the six months prior to or after
80 reactivating his or her certificate.

81 5. The state board shall, upon an appropriate background check, issue a professional
82 certificate classification in the areas most closely aligned with an applicant's current areas of
83 certification, commensurate with the years of teaching experience of the applicant, to any person
84 who is hired to teach in a public school in this state and who possesses a valid teaching
85 certificate from another state, provided that the certificate holder shall annually complete the
86 state board's requirements for such level of certification, and shall establish policies by which
87 residents of states other than the state of Missouri may be assessed a fee for a certificate license
88 to teach in the public schools of Missouri. Such fee shall be in an amount sufficient to recover
89 any or all costs associated with the issuing of a certificate of license to teach. **The board shall**
90 **additionally promulgate a rule to permit the issuance of a provisional certificate of license**
91 **permitting the holder to assume classroom duties pending the completion of a background**
92 **check conducted pursuant to section 168.133 when the applicant is the spouse of a member**
93 **of the United States armed forces stationed in Missouri who has relocated from another**
94 **state within one year from the date of application for Missouri certificate of license, who**
95 **otherwise qualifies under the provisions of this subsection, if a background check was**
96 **required for the issuance of the teaching certificate from another state.**

97 6. The state board may assess to holders of an initial professional certificate a fee, to be
98 deposited into the excellence in education revolving fund established pursuant to section
99 160.268, RSMo, for the issuance of the career continuous professional certificate. However,
100 such fee shall not exceed the combined costs of issuance and any criminal background check
101 required as a condition of issuance.

102 7. Any member of the public school retirement system of Missouri who entered covered
103 employment with ten or more years of educational experience in another state or states and held
104 a certificate issued by another state and subsequently worked in a school district covered by the
105 public school retirement system of Missouri for ten or more years who later became certificated
106 in Missouri shall have that certificate dated back to his or her original date of employment in a
107 Missouri public school.
