9 licensee. Such card shall be evidence that the licensee is licensed under sections 324.1100
10 to 324.1148. When any person to whom a card is issued terminates such person's position,

 324.1130. Each licensee shall maintain a record containing such information
2 relative to the licensee's employees as may be prescribed by the board of private
3 investigator examiners. Such licensee shall file with the board the complete address of the
4 location of the licensee's principal place of business. The board may require the filing of
5 other information for the purpose of identifying such principal place of business.

 324.1132. Every advertisement by a licensee soliciting or advertising business shall
2 contain the licensee's name, city, and state as it appears in the records of the board of
3 private investigator examiners. No individual or business can advertise as a private

9 for any one or any combination of causes stated in subsection 2 of this section. The board's
10 order of probation, limitation or restriction shall contain a statement of the discipline
11 imposed, the basis therefor, the date such action shall become effective, and a statement
12 that the applicant has thirty days to request in writing a hearing before the administrative

13 hearing commission. If the board issues a probationary, limited or restricted license to an
14 applicant for licensure, either party may file a written petition with the administrative
15 hearing commission within thirty days of the effective date of the probationary, limited or

34 for the denial of an application for a license;

35 (6) Knowingly violating, or advising, encouraging, or assisting the violation of, any
36 court order or injunction in the course of business as a licensee;

57 3. After the filing of such complaint, the proceedings shall be conducted in accordance
58 with the provisions of chapter 621, RSMo. Upon a finding by the administrative hearing
59 commission that the grounds, provided in subsection 2 of this section, for disciplinary action are
60 met, the board may, singly or in combination, censure or place the person named in the complaint
61 on probation on such terms and conditions as the board deems appropriate for a period not to
62 exceed five years, or may suspend, for a period not to exceed three years, or revoke the license,
63 certificate, or permit.

64 4. **For any hearing before the full board, the board shall cause the notice of the**

83 **the administrative hearing commission requesting an expedited hearing and specifying the**
84 **activities which give rise to the danger and the nature of the proposed restriction or**
85 **suspension of the nurse's license. Within fifteen days after service of the complaint on the**
86 **nurse, the administrative hearing commission shall conduct a preliminary hearing to**
87 **determine whether the alleged activities of the nurse appear to constitute a clear and**
88 **present danger to the public health and safety which justify that the nurse's license be**
89 **immediately restricted or suspended. The burden of proving that a nurse is a clear and**
90 **present danger to the public health and safety shall be upon the state board of nursing.**
91 **The administrative hearing commission shall issue its decision immediately after the**

96 **shall become final authority if there is no request by the nurse for a full hearing within**
97 **thirty days of the preliminary hearing. The administrative hearing commission shall, if**
98 **requested by the nurse named in the complaint, set a date to hold a full hearing under the**
99 **provisions of chapter 621, RSMo, regarding the activities alleged in the initial complaint**

101 **10. If the administrative hearing commission refuses to grant temporary authority**
102 **to the board or restrict or suspend the nurse's license under subsection 8 of this section,**
103 **such dismissal shall not bar the board from initiating a subsequent disciplinary action on**
104 **the same grounds.**

335.067. 1. The state board of nursing may establish an impaired nurse program
2 **to promote the early identification, intervention, treatment, and rehabilitation of nurses**

6 of a disciplinary order entered by the board of nursing.

7 2. The board may enter into a contractual agreement with a nonprofit corporation
8 or a nursing association for the purpose of creating, supporting, and maintaining a

48 **entered into under this section, the board may elect to pursue discipline against the licensee**
49 **pursuant to chapter 621, RSMo, for the original conduct that resulted in the impaired**
50 **nurse program agreement, or for any subsequent violation of subsection 2 of section**

52 **limitations of section 620.154, RSMo, shall toll under subsection 7 of section 620.154,**
53 **RSMo. All records pertaining to the impaired nurse program agreements are confidential**
54 **and may only be released under subdivision (7) of subsection 14 of section 620.010, RSMo.**

55 **9. The board may disclose information and records to the impaired nurse program**
56 **to assist the program in the identification, intervention, treatment, and rehabilitation of**
57 **licensed practical nurses, registered nurses, or advanced practice registered nurses who**
58 **may be impaired by reason of illness, substance abuse, or as the result of any physical or**
59 **mental condition. The program shall keep all information and records provided by the**

4 licensee's license unless the provisions of subsection 2 of section 335.066 have been violated.
5 Any case file documentation that does not result in the board filing an action pursuant to
6 subsection 2 of section 335.066 shall be destroyed within three months after the final case
7 disposition by the board. No notification to any other licensing board in another state or any
8 national registry regarding any investigative action shall be made unless the provisions of
9 subsection 2 of section 335.066 have been violated.

10 2. Upon written request of the nurse subject to a complaint, prior to August 28, 1999,
11 by an individual incarcerated or under the care and control of the department of corrections that
12 did not result in the board filing an action pursuant to subsection 2 of section 335.066, the board
13 and the division of professional registration shall in a timely fashion:

14 (1) Destroy all documentation regarding the complaint;] **If the board determines that**
15 **a complaint does not constitute a violation of the nursing practice act or that the complaint**
16 **is unsubstantiated, then that complaint, and all documentation related to it, shall be**

17 **deemed a sealed record. If the administrative hearing commission or a court of competent**
18 **jurisdiction makes a finding that an action brought by the board does not constitute**
19 **sufficient grounds to discipline the license of a licensee, that complaint, and all**
20 **documentation related to it, shall be deemed a sealed record.**

21 **2. For purposes of this section, a "sealed record" shall mean that the complaint to**
22 **which it refers shall be deemed to never have occurred. The licensee may properly reply**

24 **sealed record shall not be disclosed or reported to any other state agency, other board of**
25 **nursing, or any other organization without express, written permission of the licensee.**

26 **3. Upon determination by the board that a complaint is not a violation of the**
27 **nursing practice act or that the complaint is unsubstantiated, or upon the conclusion of**

29 **license, the board and the division of professional registration shall, in a timely fashion:**

30 **[(2)] (1) Notify any other licensing board in another state or any national registry**
31 **regarding the board's action if they have been previously notified of the complaint; and**

32 **[(3)] (2) Send a letter to the licensee that clearly states that the board found the complaint**
33 **to be unsubstantiated[, that the board has taken the requested action,] or that litigation resulted**
34 **in a finding that there are insufficient grounds to discipline the licensee's license, that the**
35 **board has sealed all records concerning the complaint, and notify the licensee of the**
36 **provisions of subsection [3] 4 of this section.**

37 **[3.] 4. Any person who has been the subject of an unsubstantiated complaint as provided**
38 **in subsection 1 [or 2] of this section shall not be required to disclose the existence of such**
39 **complaint in subsequent applications or representations relating to their nursing professions.**

40 **5. Nothing contained in this section shall prevent the board of nursing from**
41 **maintaining such records as to ensure that all complaints received by the board are**
42 **properly investigated and reviewed by the board and the results of that investigation are**
43 **reported to the appropriate parties.**

21 in general or ocular pharmacology unless it is taught by an institution utilizing both the didactic
22 and clinical instruction in pharmacology and which is accredited by a regional or professional
23 accrediting organization which is recognized by the United States Department of Education or
24 its successors and the transcript for the course of instruction is certified to the board by the
25 institution as being comparable in content to those courses in general and ocular pharmacology
26 required by other licensing boards whose licenses or registrants are permitted the administration
27 of pharmaceutical agents in the course of their professional practice for either diagnostic or
28 therapeutic purposes or both.

29 3. In issuing a certificate of registration or a renewal of a certificate of registration, the

37 optometrist who is examined and so certified by the state board of optometry in the
38 administration of diagnostic pharmaceutical agents or therapeutic pharmaceutical agents may
39 administer those agents for which he is certified in the practice of optometry. An optometrist's

52 board shall not approve a course of instruction in the treatment of glaucoma unless it is taught
53 by an institution that is accredited by a regional or professional accrediting organization that is
54 recognized by the United States Department of Education or its successor and the content for the
55 course of instruction is certified to the board by the institution as being comparable in the content
56 to those courses in the treatment of glaucoma required by other licensing boards whose licensees
57 or registrants are permitted to treat glaucoma in the course of their professional practice; except
58 that, any optometrist initially licensed in Missouri after December 31, 1990, who had previously

62 as a condition for the annual renewal of the certificate of registration, each optometrist certified
63 in the administration of therapeutic pharmaceutical agents shall, as a condition for the annual
64 renewal of certification through December 31, 1999, complete a continuing course of instruction
65 of at least six hours in the treatment of glaucoma as approved by the board; provided that, such

70 pharmaceutical agents may remove superficial foreign bodies from the eye and adnexa. An

76 commonly exercised by ordinary, skillful, careful and prudent physicians and surgeons engaged
77 in the practice of medicine.

79 agents shall refer a patient to a physician licensed under chapter 334, RSMo, if an examination
80 of the eyes indicates a condition, including reduced visual acuity, which requires medical
81 treatment, further medical diagnosis, or further refraction. This referral is not required on known
82 or previously diagnosed conditions. The record of the referral in the optometrist's notes shall
83 have the standing of any business record. Any optometrist violating this section shall be subject

96 optometrist violating this section shall be subject to the provisions of section 336.110.

97 3. An optometrist's prescriptions for therapeutic pharmaceutical agents shall be
98 dispensed by a pharmacist licensed under chapter 338, RSMo. When therapeutic
99 pharmaceutical agents are dispensed by an optometrist, the provisions of section 338.059,
100 RSMo, shall apply.

80 (19) Any other conduct which constitutes untrustworthy, improper or fraudulent business

95 (24) Use of any advertisement or solicitation which is knowingly false, misleading or
96 deceptive to the general public or persons to whom the advertisement or solicitation is primarily
97 directed.

98 3. After the filing of such complaint, the proceedings will be conducted in accordance
99 with the provisions of law relating to the administrative hearing commission. A finding of the
100 administrative hearing commissioner that the licensee has performed or attempted to perform one
101 or more of the foregoing acts shall be grounds for the suspension or revocation of his license by
102 the commission, or the placing of the licensee on probation on such terms and conditions as the
103 real estate commission shall deem appropriate, **or the imposition of a civil penalty by the**
104 **commission not to exceed two thousand five hundred dollars for each offense. Each day**
105 **of a continued violation shall constitute a separate offense.**

106 4. The commission may prepare a digest of the decisions of the administrative hearing
107 commission which concern complaints against licensed brokers or salespersons and cause such
108 digests to be mailed to all licensees periodically. Such digests may also contain reports as to new
109 or changed rules adopted by the commission and other information of significance to licensees.

110 5. Notwithstanding other provisions of this section, a broker or salesperson's license shall
111 be revoked, or in the case of an applicant, shall not be issued, if the licensee or applicant has
112 pleaded guilty to, entered a plea of nolo contendere to, or been found guilty of any of the
113 following offenses or offenses of a similar nature established under the laws of this, any other
114 state, the United States, or any other country, notwithstanding whether sentence is imposed:

132 a minor, furnishing pornographic materials to minors, or coercing acceptance of obscene
133 material.

134 6. A person whose license was revoked under subsection 5 of this section may appeal
135 such revocation to the administrative hearing commission. Notice of such appeal must be
136 received by the administrative hearing commission within ninety days of mailing, by certified
137 mail, the notice of revocation. Failure of a person whose license was revoked to notify the
138 administrative hearing commission of his or her intent to appeal waives all rights to appeal the
139 revocation. Upon notice of such person's intent to appeal, a hearing shall be held before the
140 administrative hearing [commissioner] **commission.**

339.200. 1. It shall be unlawful for any person not holding the required license
2 **from the commission to perform any act for which a license is required by sections 339.010**

3 to 339.180 and sections 339.710 to 339.860. The commission may cause a complaint to be
4 filed with the administrative hearing commission, as provided in chapter 621, RSMo,
5 against any unlicensed person who:

6 (1) Engages in or offers to perform any act for which a license is required by
7 sections 339.010 to 339.180 and sections 339.710 to 339.860; or

8 (2) Uses or employs titles defined and protected by this chapter, or implies
9 authorization to provide or offer professional services, or otherwise uses or advertises any
10 title, word, figure, sign, card, advertisement, or other symbol or description tending to
11 convey the impression that the person holds any license required by sections 339.010 to
12 339.180 and sections 339.710 to 339.860.

13 2. When reviewing complaints against unlicensed persons, the commission may
14 initiate an investigation and take all measures necessary to find the facts of any potential
15 violation, including issuing subpoenas to compel the attendance and testimony of witnesses
16 and the disclosure of evidence.

17 3. If the commission files a complaint with the administrative hearing commission,
18 the proceedings shall be conducted in accordance with the provisions of chapter 621,
19 RSMo. Upon a finding by the administrative hearing commission that the grounds
20 provided in subsection 1 of this section for action are met, the commission may, either
21 singularly or in combination with other provisions of this chapter, impose a civil penalty
22 against the person named in the complaint in an amount not to exceed the limit authorized
23 by section 339.205.

339.205. 1. In actions against unlicensed persons or disciplinary actions against
2 licensed persons, the commission may issue an order imposing a civil penalty. Such penalty
3 shall not be imposed until the findings of facts and conclusions of law by the administrative
4 hearing commission have been delivered to the commission in accordance with section
5 621.110, RSMo. Further, no civil penalty shall be assessed until a formal meeting and vote
6 by the board has been taken to impose such a penalty.

7 2. Any civil penalty imposed by the commission shall not exceed two thousand five
8 hundred dollars for each offense. Each day of a continued violation constitutes a separate
9 offense, with a maximum penalty of twenty-five thousand dollars. In determining the
10 amount of penalty to be imposed, the commission may consider any of the following:

- 11 (1) Whether the amount imposed will be a substantial deterrent to the violation;
- 12 (2) The circumstances leading to the violation;
- 13 (3) The severity of the violation and the risk of harm to the public;
- 14 (4) The economic benefits gained by the violator as a result of noncompliance; and
- 15 (5) The interest of the public.

16 **3. Any final order imposing a civil penalty is subject to judicial review upon the**
17 **filing of a petition under section 536.100, RSMo, by any person subject to the penalty.**

18 **4. Payment of a civil penalty shall be made within sixty days of filing the order, or**
19 **if the order is stayed pending an appeal, within ten days after the court enters a final**
20 **judgment in favor of the commission. If the penalty is not timely paid, the commission**
21 **shall notify the attorney general. The attorney general may commence an action to recover**
22 **the amount of the penalty, including reasonable attorney fees and costs and a surcharge**
23 **of fifteen percent of the penalty plus ten percent per annum on any amounts owed. In such**
24 **action, the validity and appropriateness of the final order imposing the civil penalty shall**
25 **not be subject to review.**

26 **5. An action to enforce an order under this section may be joined with an action for**
27 **an injunction.**

28 **6. Any offer of settlement to resolve a civil penalty under this section shall be in**
29 **writing, state that an action for imposition of a civil penalty may be initiated by the**
30 **attorney general representing the commission under this section, and identify any dollar**
31 **amount as an offer of settlement, which shall be negotiated in good faith through**
32 **conference, conciliation, and persuasion.**

33 **7. Failure to pay a civil penalty by any person licensed under this chapter shall be**
34 **grounds for denying, disciplining or refusing to renew or reinstate a license or certificate**
35 **of authority.**

36 **8. Penalties collected under this section shall be handled in accordance with section**
37 **7 of article IX of the Missouri Constitution. Such penalties shall not be considered a**
38 **charitable contribution for tax purposes.**

339.513. 1. Applications for examination, original certification and licensure, and
2 renewal certification and licensure shall be made in writing to the commission on forms provided
3 by the commission. The application shall specify the classification of certification, or licensure,
4 for which application is being made.

5 2. Appropriate fees shall accompany all applications for examination, original
6 certification or licensure, and renewal certification or licensure; provided that such fees shall be
7 in amounts set by the commission in order to offset the cost and expense of administering
8 sections 339.500 to 339.549, and in amounts to be determined by the commission with reference
9 to the requirements of Section 1109 of the United States Public Law 101-73, as later codified and
10 as may be amended. All fees collected pursuant to this subsection shall be collected by the
11 commission and deposited with the state treasurer into a fund to be known as the "Missouri Real
12 Estate Appraisers Fund". [The provisions of section 33.080, RSMo, relating to the transfer of
13 unexpended balances to the general revenue fund shall not apply to the Missouri real estate
14 appraisers fund.] **The provisions of section 33.080, RSMo, to the contrary notwithstanding,**

15 money in this fund shall not be transferred and placed to the credit of general revenue until
16 the amount in the fund at the end of the biennium exceeds two times the amount of the
17 appropriation from the board's funds for the preceding fiscal year or, if the board requires
18 by rule permit renewal less frequently than yearly, then three times the appropriation from
19 the board's funds for the preceding fiscal year. The amount, if any, in the fund which shall
20 lapse is that amount in the fund which exceeds the appropriate multiple of the
21 appropriations from the board's funds for the preceding fiscal year.

22 3. At the time of filing an application for certification or licensure, each applicant shall
23 sign a pledge to comply with the standards set forth in sections 339.500 to 339.549 and state that
24 he or she understands the types of misconduct for which disciplinary proceedings may be
25 initiated against a state-certified real estate appraiser or a state-licensed real estate appraiser.

26 344.020. No person shall act or serve in the capacity of a nursing home administrator without
27 first procuring a license from the Missouri board of nursing home administrators as provided in
28 sections 344.010 to [344.100] **344.108**. The board may issue a separate license to administrators
29 of assisted living facilities, as defined in section 198.006, RSMo. Any individual who receives
30 a license to operate an assisted living facility is not thereby authorized to operate any
31 intermediate care facility or skilled nursing facility as those terms are defined in section 198.006,
32 RSMo.

344.030. 1. An applicant for an initial license shall file a completed application with the
2 board on a form provided by the board, accompanied by an application fee [of one hundred
3 dollars] **as provided by rule** payable to the [director of revenue] **department of health and**
4 **senior services**. Information provided in the application [shall be given under oath subject to
5 the penalties for making a false affidavit] **attested by signature to be true and correct to the**
6 **best of the applicant's knowledge and belief**.

7 2. No initial license shall be issued to a person as a nursing home administrator unless:

8 (1) The applicant provides the board satisfactory proof that the applicant is twenty-one
9 years of age or over, of good moral character and a high school graduate or equivalent;

10 (2) The applicant provides the board satisfactory proof that the applicant has had a
11 minimum of three years' experience in health care administration or two years of postsecondary
12 education in health care administration or has satisfactorily completed a course of instruction and
13 training prescribed by the board, which includes instruction in the needs properly to be served
14 by nursing homes, the protection of the interests of residents therein, and the elements of good
15 nursing home administration, or has presented evidence satisfactory to the board of sufficient
16 education, training, or experience in the foregoing fields to administer, supervise and manage
17 a nursing home; and

18 (3) The applicant passes the [written examination] **examinations** administered by the
19 board. If an applicant fails to make a passing grade on [the examination] **either of the**

20 **examinations** such applicant may make application for reexamination on a form furnished by
21 the board and may be retested [at the next regularly scheduled examination]. If an applicant fails
22 [the examination] **either of the examinations** a third time, the applicant shall be required to
23 complete a course of instruction prescribed and approved by the board [before the applicant may
24 reapply for examination]. **After completion of the board-prescribed course of instruction,**
25 **the applicant may reapply for examination. With regard to the national examination**
26 **required for licensure, no examination scores from other states shall be recognized by the**
27 **board after the applicant has failed his or her third attempt at the national examination.**
28 There shall be a separate, nonrefundable fee for each examination. The board shall set the
29 amount of the fee for examination by rules and regulations promulgated pursuant to section
30 536.021, RSMo. The fee shall be set at a level to produce revenue which shall not substantially
31 exceed the cost and expense of administering the examination.

32 3. The board may issue a license through reciprocity to any person who is regularly
33 licensed as a nursing home administrator in any other state, territory, or the District of Columbia,
34 if the regulations for securing such license are equivalent to those required in the state of
35 Missouri. However, no license by reciprocity shall be issued until the applicant passes a special
36 examination approved by the board, which will examine the applicant's knowledge of specific
37 provisions of Missouri statutes and regulations pertaining to nursing homes. The applicant shall
38 furnish satisfactory evidence that such applicant is of good moral character and has acted in the
39 capacity of a nursing home administrator in such state, territory, or the District of Columbia, at
40 least one year after the securing of the license. The board, in its discretion, may enter into
41 written reciprocal agreements pursuant to this section with other states which have equivalent
42 laws and regulations.

43 4. Nothing in sections 344.010 to [344.100] **344.108**, or the rules or regulations
44 thereunder shall be construed to require an applicant for a license as a nursing home
45 administrator, who is employed by an institution listed and certified by the Commission for
46 Accreditation of Christian Science Nursing Organizations/Facilities, Inc., to administer
47 institutions certified by such commission for the care and treatment of the sick in accordance
48 with the creed or tenets of a recognized church or religious denomination, to demonstrate
49 proficiency in any techniques or to meet any educational qualifications or standards not in accord
50 with the remedial care and treatment provided in such institutions. The applicant's license shall
51 be endorsed to confine the applicant's practice to such institutions.

52 5. The board may issue a temporary emergency license for a period not to exceed ninety
53 days to a person twenty-one years of age or over, of good moral character and a high school
54 graduate or equivalent to serve as an acting nursing home administrator, provided such person
55 is replacing a licensed nursing home administrator who has died, has been removed or has

60 qualifications for licensure and has filed an application for a regular license, accompanied by the
61 application fee, and the [examination has not yet been given] **applicant has taken the**
62 **examination or examinations but the results have not been received by the board.** No
63 temporary emergency license may be renewed more than one time.

344.040. 1. Every license issued under this chapter shall expire on June thirtieth of the
2 year following the year of issuance and every other year thereafter, provided that licenses issued
3 or renewed during the year 2006 may be issued or renewed by the board for a period of either one
4 or two years, as provided by rule. Licensees seeking renewal shall, during the month of May of
5 the year of renewal, file an application for renewal on forms furnished by the board, which shall

7 hours required by the board, and shall be accompanied by a renewal fee as provided by rule
8 payable to the department of health and senior services.

9 2. Upon receipt of an incomplete application for renewal, the board shall grant the
10 applicant a temporary permit which shall be in effect for thirty days. The applicant is required
11 to submit the required documentation or fee within the thirty-day period, or the board may refuse
12 to renew his **or her** application. The thirty-day period can be extended for good cause shown
13 for an additional thirty days. Upon receipt of the approved continuing education credits or other
14 required documentation or fee within the appropriate time period, the board shall issue a license.

15 3. The board shall renew the license of an applicant who has met all of the requirements
16 for renewal.

17 4. As a requirement for renewal of license, the board may require not more than
18 forty-eight clock hours of continuing education a year. The continuing education provided for
19 under this section shall be approved by the board. There shall be a separate, nonrefundable fee
20 for each single offering provider. The board shall set the amount of fee for any single offering
21 provided by rules and regulations promulgated pursuant to section 536.021, RSMo. The fee shall
22 be set at a level to produce revenue which shall not substantially exceed the cost and expense in
23 administering and reviewing any single offering.

24 5. By April first of each year, the board shall mail an application for renewal of license
25 to every person whose license shall be renewed during the current year. The applicant must
26 submit such information as will enable the board to determine if the applicant's license should
27 be renewed. Information provided in the application shall be [given under oath] **attested by**
28 **signature to be true and correct to the best of the applicant's knowledge and belief.**

29 6. Any licensee who fails to apply to renew his **or her** license by June thirtieth of the

31 by the board pursuant to sections 344.010 to [344.100] **344.108** and pays the renewal fee
32 required by rule, plus a penalty of twenty-five dollars. No action shall be taken by the board in
33 addition to a penalty of twenty-five dollars imposed by this section against any such licensee
34 whose license has not expired for a period of more than two months, and who has had no action
35 in the preceding five years taken against them by the board, and who has met all other licensure
36 requirements by June thirtieth of the year of renewal; provided, however, that nothing in this
37 section shall prevent the board from taking any other disciplinary action against a licensee if
38 there shall exist a cause for discipline pursuant to section 344.050. A person whose license has
39 expired for a period of more than twelve months must meet the requirements set out in section
40 344.030 for initial licensure.

344.050. 1. The board may refuse to issue or renew any certificate of registration or
2 authority, permit or license required pursuant to this chapter for one or any combination of

4 the reasons for the refusal and shall advise the applicant of his **or her** right to file a complaint
5 with the administrative hearing commission as provided by chapter 621, RSMo. **As an**
6 **alternative to refusal to issue or renew any certificate, registration or authority, permit or**

16 **administrative hearing commission within the thirty-day period, the right to seek review**
17 **of the board's decision shall be waived.**

18 2. The board may cause a complaint to be filed with the administrative hearing
19 commission as provided by chapter 621, RSMo, against any holder of any certificate of

27 nursing home.

28 3. The members of the board shall be appointed for three-year terms or until their

5 as the board may deem necessary. The affidavit shall be accompanied by a fee [of twenty-five
6 dollars] **as provided by rule**, made payable to the [division of aging] **department of health and**
7 **senior services**. Such request for retired status may also be accomplished by signing the request

20 license by filing with the board evidence satisfactory to the board of the completion of twenty
21 clock hours of continuing education for each calendar year the license was retired **accompanied**

22 **by a fee as provided by rule made payable to the department of health and senior services.**
23 All clock hours of continuing education shall be completed prior to the filing of the affidavit or

15 shall return all indicia of licensure to the board or submit evidence satisfactory to the
16 board that the license has been lost, stolen, or destroyed.

17 3. An inactive license shall expire on June thirtieth of the second year following the

19 the month of May of the year of renewal, file an application for renewal on forms furnished
20 by the board that include evidence satisfactory to the board of the completion of ten clock
21 hours of continuing education in the area of patient care and shall be accompanied by a
22 renewal fee as provided by rule, payable to the department of health and senior services.

23 4. A license may be carried in inactive status for up to six years from the date of

30 hours of continuing education shall be earned no earlier than six months prior to the
31 request for reactivation and no later than twelve months after the inactive license has been
32 reactivated. If the holder of an inactive license requests reactivation prior to completing
33 the forty clock hours of continuing education, the board shall issue a six-month interim
34 license to the licensee. The interim license shall expire six months from the date of issuance
35 or at such earlier time as the licensee earns the forty clock hours of continuing education
36 and submits evidence satisfactory to the board of completion of the required hours.

61 10. On and after August 28, 1990, the status of the division is modified under a specific
62 type transfer pursuant to section 1 of the Omnibus Reorganization Act of 1974. The status of
63 the division is modified from that of a division transferred to the department of economic
64 development pursuant to a type II transfer, as provided for in this section, to that of an agency
65 possessing the characteristics of a division transferred pursuant to a type III transfer; provided,
66 however, that the division will remain within the department of economic development. The
67 division of insurance shall be assigned to the department of economic development as a type III
68 division, and the director of the department of economic development shall have no supervision,
69 authority or control over the actions or decisions of the director of the division. All authority,
70 records, property, personnel, powers, duties, functions, matter pending and all other pertinent
71 vestiges pertaining thereto shall be retained by the division except as modified by this section.
72 If the division of insurance becomes a department by operation of a constitutional amendment,
73 the department of economic development shall continue until December 31, 1991, to provide at
74 least the same assistance as was provided in previous fiscal years for personnel, data processing
75 support and other benefits from appropriations.

76 11. All the powers, duties and functions of the commerce and industrial development
77 division and the industrial development commission, chapters 184 and 255, RSMo, and others,
78 not otherwise transferred, are transferred by type I transfer to the department of economic
79 development, and the industrial development commission is abolished. All powers, duties and
80 functions of the division of commerce and industrial development and the division of community
81 development are transferred by a type I transfer to the department of economic development, and
82 the division of commerce and industrial development and the division of community
83 development are abolished.

84 12. All the powers, duties and functions vested in the tourism commission, chapter 258,
85 RSMo, and others, are transferred to the "Division of Tourism", which is hereby created, by type
86 III transfer.

87 13. All the powers, duties and functions of the department of community affairs, chapter
88 251, RSMo, and others, not otherwise assigned, are transferred by type I transfer to the
89 department of economic development, and the department of community affairs is abolished.
90 The director of the department of economic development may assume all the duties of the
91 director of community affairs or may establish within the department such subunits and advisory
92 committees as may be required to administer the programs so transferred. The director of the
93 department shall appoint all members of such committees and heads of subunits.

94 14. (1) There is hereby established a "Division of Professional Registration" assigned
95 to the department of economic development as a type III division, headed by a director appointed
96 by the governor with the advice and consent of the senate.

97 (2) The director of the division of professional registration shall promulgate rules and
98 regulations which designate for each board or commission assigned to the division the renewal
99 date for licenses or certificates. After the initial establishment of renewal dates, no director of
100 the division shall promulgate a rule or regulation which would change the renewal date for
101 licenses or certificates if such change in renewal date would occur prior to the date on which the
102 renewal date in effect at the time such new renewal date is specified next occurs. Each board or
103 commission shall by rule or regulation establish licensing periods of one, two, or three years.
104 Registration fees set by a board or commission shall be effective for the entire licensing period
105 involved, and shall not be increased during any current licensing period. Persons who are
106 required to pay their first registration fees shall be allowed to pay the pro rata share of such fees
107 for the remainder of the period remaining at the time the fees are paid. Each board or
108 commission shall provide the necessary forms for initial registration, and thereafter the director
109 may prescribe standard forms for renewal of licenses and certificates. Each board or commission
110 shall by rule and regulation require each applicant to provide the information which is required
111 to keep the board's records current. Each board or commission shall issue the original license
112 or certificate.

(3) The division shall provide clerical and other staff services relating to the issuance and renewal of licenses for all the professional licensing and regulating boards and commissions assigned to the division. The division shall perform the financial management and clerical functions as they each relate to issuance and renewal of licenses and certificates. "Issuance and renewal of licenses and certificates" means the ministerial function of preparing and delivering licenses or certificates, and obtaining material and information for the board or commission in connection with the renewal thereof. It does not include any discretionary authority with regard to the original review of an applicant's qualifications for licensure or certification, or the subsequent review of licensee's or certificate holder's qualifications, or any disciplinary action contemplated against the licensee or certificate holder. The division may develop and implement microfilming systems and automated or manual management information systems.

(4) The director of the division shall establish a system of accounting and budgeting, in cooperation with the director of the department, the office of administration, and the state auditor's office, to ensure proper charges are made to the various boards for services rendered to them. The general assembly shall appropriate to the division and other state agencies from each board's funds, moneys sufficient to reimburse the division and other state agencies for all services rendered and all facilities and supplies furnished to that board.

(5) For accounting purposes, the appropriation to the division and to the office of administration for the payment of rent for quarters provided for the division shall be made from the "Professional Registration Fees Fund", which is hereby created, and is to be used solely for the purpose defined in subdivision (4) of subsection 14 of this section. The fund shall consist of moneys deposited into it from each board's fund. Each board shall contribute a prorated amount necessary to fund the division for services rendered and rent based upon the system of accounting and budgeting established by the director of the division as provided in subdivision (4) of this subsection. Transfers of funds to the professional registration fees fund shall be made by each board on July first of each year; provided, however, that the director of the division may establish an alternative date or dates of transfers at the request of any board. Such transfers shall be made until they equal the prorated amount for services rendered and rent by the division. [The provisions of section 33.080, RSMo, to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of general revenue.] **The provisions of section 33.080, RSMo, to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds three times the appropriation from the professional registration fees fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the appropriate multiple of the appropriations from the professional registration fees fund for the preceding fiscal year.**

(6) The director of the division shall be responsible for collecting and accounting for all moneys received by the division or its component agencies. Any money received by a board or commission shall be promptly given, identified by type and source, to the director. The director shall keep a record by board and state accounting system classification of the amount of revenue the director receives. The director shall promptly transmit all receipts to the department of revenue for deposit in the state treasury to the credit of the appropriate fund. The director shall provide each board with all relevant financial information in a timely fashion. Each board shall cooperate with the director by providing necessary information.

(7) All educational transcripts, test scores, complaints, investigatory reports, and information pertaining to any person who is an applicant or licensee of any agency assigned to the division of professional registration by statute or by the department of economic development are confidential and may not be disclosed to the public or any member of the public, except with the written consent of the person whose records are involved. The agency which possesses the records or information shall disclose the records or information if the person whose records or information is involved has consented to the disclosure. Each agency is entitled to the attorney-client privilege and work-product privilege to the same extent as any other person. Provided, however, that any board may disclose confidential information without the consent of the person involved in the course of voluntary interstate exchange of information, or in the course of any litigation concerning that person, or pursuant to a lawful request, or to other administrative or law enforcement agencies acting within the scope of their statutory authority. Information regarding identity, including names and addresses, registration, and currency of the license of the persons possessing licenses to engage in a professional occupation and the names and addresses of applicants for such licenses is not confidential information.

(8) Any deliberations conducted and votes taken in rendering a final decision after a hearing before an agency assigned to the division shall be closed to the parties and the public. Once a final decision is rendered, that decision shall be made available to the parties and the public.

15. (1) The division of registration and examination, department of education, within chapter 161, RSMo, and others, is abolished and the following boards and commissions are transferred by specific type transfers to the division of professional registration, department of economic development: state board of accountancy, chapter 326, RSMo; state board of barber examiners, chapter 328, RSMo; state board of registration for architects, professional engineers and land surveyors, chapter 327, RSMo; state board of chiropractic examiners, chapter 331, RSMo; state board of cosmetology, chapter 329, RSMo; state board of healing arts, chapter 334, RSMo; Missouri dental board, chapter 332, RSMo; state board of embalmers and funeral directors, chapter 333, RSMo; state board of optometry, chapter 336, RSMo; state board of nursing, chapter 335, RSMo; board of pharmacy, chapter 338, RSMo; state board of podiatry,

187 veterinary medical board chapter 340, RSMo. The governor shall appoint members of these
188 boards by and with the advice and consent of the senate from nominees submitted by the director
189 of the department.

190 (2) The boards and commissions assigned to the division shall exercise all their
191 respective statutory duties and powers, except those clerical and other staff services involving
192 collecting and accounting for moneys and financial management relating to the issuance and
193 renewal of licenses, which services shall be provided by the division, within the appropriation
194 therefor. All clerical and other staff services relating to the issuance and renewal of licenses of
195 the individual boards and commissions are abolished. All clerical and other staff services
196 pertaining to collecting and accounting for moneys and to financial management relative to the
197 issuance and renewal of licenses of the individual boards and commissions are abolished.
198 Nothing herein shall prohibit employment of professional examining or testing services from
199 professional associations or others as required by the boards or commissions on contract.
200 Nothing herein shall be construed to affect the power of a board or commission to expend its
201 funds as appropriated. However, the division shall review the expense vouchers of each board.
202 The results of such review shall be submitted to the board reviewed and to the house and senate
203 appropriations committees annually.

204 (3) Notwithstanding any other provisions of law, the director of the division shall
205 exercise only those management functions of the boards and commissions specifically provided
206 in the Reorganization Act of 1974, and those relating to the allocation and assignment of space,
207 personnel other than board personnel, and equipment.

210 responsibilities are in areas not related to the clerical duties involving the issuance and renewal
211 of licenses, to the collecting and accounting for moneys, or to financial management relating to
212 issuance and renewal of licenses; specifically included are executive secretaries (or comparable
213 positions), consultants, inspectors, investigators, counsel, and secretarial support staff for these
214 positions; and such other positions as are established and authorized by statute for a particular
215 board or commission. Boards and commissions may employ legal counsel, if authorized by law,
216 and temporary personnel if the board is unable to meet its responsibilities with the employees
217 authorized above. Any board or commission which hires temporary employees shall annually
218 provide the division director and the appropriation committees of the general assembly with a
219 complete list of all persons employed in the previous year, the length of their employment, the
220 amount of their remuneration and a description of their responsibilities.

221 (5) Board personnel for each board or commission shall be employed by and serve at the
222 pleasure of the board or commission, shall be supervised as the board or commission designates,

223 and shall have their duties and compensation prescribed by the board or commission, within

225 that established for comparable positions as determined by the board or commission pursuant
226 to the job and pay plan of the department of economic development. Nothing herein shall be
227 construed to permit salaries for any board personnel to be lowered except by board action.

228 (6) Each board or commission shall receive complaints concerning its licensees' business
229 or professional practices. Each board or commission shall establish by rule a procedure for the
230 handling of such complaints prior to the filing of formal complaints before the administrative
231 hearing commission. The rule shall provide, at a minimum, for the logging of each complaint
232 received, the recording of the licensee's name, the name of the complaining party, the date of the
233 complaint, and a brief statement of the complaint and its ultimate disposition. The rule shall
234 provide for informing the complaining party of the progress of the investigation, the dismissal
235 of the charges or the filing of a complaint before the administrative hearing commission.

253 20. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that
254 is created under the authority delegated in this chapter shall become effective only if it complies
255 with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section
256 536.028, RSMo. All rulemaking authority delegated prior to August 28, 1999, is of no force and
257 effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity
258 of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable
