## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of the Secretary of State** (SOS) stated that many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials from the **Department of Conservation** (MDC) stated that the proposal would specify that the sales tax exemption for converting a vehicle to handicapped accessible includes vehicles modified before purchase. This proposed legislation would not appear to have fiscal impact on MDC funds.

Officials from the **Department of Revenue**, the **Department of Health and Senior Services**, and the **Department of Social Services** assume this proposal would have no fiscal impact on their organizations.

**Oversight** assumes this proposal clarifies an existing sales tax exemption and, therefore, would have no impact on Total State Revenue.

<u>FISCAL IMPACT - State Government</u>	FY 2008 (10 Mo.)	FY 2009	FY 2010
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>
<u>FISCAL IMPACT - Local Government</u>	FY 2008 (10 Mo.)	FY 2009	FY 2010
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

### FISCAL IMPACT - Small Business

This proposal could have a fiscal impact to small businesses involved in sales of handicapped accessible vehicles.

### FISCAL DESCRIPTION

This proposal would specify that the sales tax exemption for converting a vehicle to handicapped accessible includes vehicles modified before purchase.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
