## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of Administration – Division of Personnel, – Administrative Hearing Commission, – Information Technology Services Division, Department of Economic Development, Department of Corrections, Department of Labor and Industrial Relations, Department of Public Safety – Director’s Office,** and the **Office of the State Public Defender** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Office of Prosecution Services (OPS)** state any increase in the number of cases referred for criminal prosecution will have an additional fiscal impact on county prosecutors. However, officials from the OPS are not aware of any estimates of the number of additional criminal cases that would be referred to county prosecutors for charges because of this proposed legislation. Additionally, the OPS is not otherwise able to establish a workable estimate of the number of additional criminal cases that would be referred to county prosecutors for charges. It is therefore, not possible to determine if this proposal would have a significant direct fiscal impact on county prosecutors or the OPS.

**Oversight** assumes the Office of Prosecution Services and county prosecutors could absorb any additional costs incurred as a result of the proposed legislation within existing resources.

Officials from the **Office of the Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year’s legislative session. The fiscal impact for this proposal for Administrative Rules is less than \$2,500. The SOS recognizes this is a small amount and does not expect additional funding would be required to meet these costs. However, SOS also recognizes that many such bills may be passed in a given year and that collectively the costs may be in excess of what the SOS can sustain with their core budget. Any additional required funding would be handled through the budget process.
