FISCAL ANALYSIS

ASSUMPTION

Officials of the **Missouri State Tax Commission** stated this proposal would not impact their agency.

Oversight sent response request to numerous County Assessors and County Commissions and have received no response.

Oversight assumes this proposal would remove the County Assessor as a member of the Board of Equalization, and would require the County Commission to appoint two additional members that would be citizens of the county. **Oversight** assumes this proposal does not require compensation be paid to the two citizen members; therefore, **Oversight** assumes no fiscal impact.
