## FISCAL ANALYSIS

### ASSUMPTION

Officials of the **Office of the Secretary of State - Rules Making Division** stated that many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to Secretary of State's office for Administrative Rules is less than \$2,500. The Secretary of State's office recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

**Oversight** sent response request to St. Louis City officials of the Police Board and Police Department and have received no response.

In response to similar legislation of last session (fiscal note 5169-01 SB 1097) **St. Louis Officials of the Metropolitan Police Department** assumed no fiscal impact.

**Oversight** assumes this proposal grants authority to the St. Louis Board of Police Commissioners to delegate certain duties to others. **Oversight** assumes this proposal is discretionary and would have no fiscal impact. **Oversight** assumes no state fiscal impact.
