FISCAL ANALYSIS

ASSUMPTION

In response to fiscal note 1818-01 HB 293 the **Secretary of State** made the following fiscal impact statement. **Oversight** assumes this proposal provides for rulemaking by the St. Louis Police Board of Commissioners.

Officials of the **Office of the Secretary of State - Rules Making Division** stated that many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to Secretary of State's office for Administrative Rules is less than \$2,500. The Secretary of State's office recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

Oversight sent response request to St. Louis City officials of the Police Board and Police Department and have received no response.

In response to similar legislation of last session, (fiscal note 5169-01 SB 1097 and fiscal note 2563-01 SB 654 of this session), **St. Louis Officials** of the **Metropolitan Police Department** assumed no fiscal impact.

Oversight assumes this proposal grants authority to the St. Louis Board of Police Commissioners to delegate certain duties to others. **Oversight** assumes this proposal is discretionary and would have no fiscal impact. **Oversight** assumes no state fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
