FISCAL ANALYSIS

ASSUMPTION

Officials from the **State Auditor's Office** assume no fiscal impact to their agency.

Officials from the **Department of Transportation** assume this proposes to create a program administered by the Department of Natural Resources that will allow regulated entities to receive benefits such as: extended duration permits, expedited permit renewal, modified monitoring and/or reporting frequency, electronic application and reporting, modified inspection frequency and any other benefit commensurate with the capabilities of the entity. As it is currently proposed, this program is voluntary and as such will have no fiscal impact on MoDOT.

Officials from the **Department of Natural Resources** assume the language as currently written in this proposal is consistent with the federal audit policy. Therefore, the department would not anticipate any significant direct fiscal impact from this proposal.

<u>FISCAL IMPACT - Local Government</u>	FY 2008 (10 Mo.)	FY 2009	FY 2010

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
