

# House Concurrent Resolution No. 23

## 94TH GENERAL ASSEMBLY

0263L.021

1 **Whereas**, every person in Missouri and in the United States deserves access to  
2 affordable, quality health care; and

3

4 **Whereas**, there is a growing crisis in health care in the United States of America,  
5 manifested in rising health care costs, increased premiums, out-of-pocket spending, decreased  
6 international business competitiveness, and massive layoffs; and

7

8 **Whereas**, approximately 635,000 to 707,000 Missourians lacked health insurance  
9 in 2005; and

10

11 **Whereas**, those insured now often experience unacceptable medical debt and  
12 sometimes life-threatening delays in obtaining health care; and

13

14 **Whereas**, one-half of all personal bankruptcies are due to illnesses or medical bills;  
15 and

16

17 **Whereas**, the termination of Medicaid in 2008 and the rising cost of insuring state  
18 employees and teachers can best be met not by limiting benefits, but by expanding them under  
19 a national, publicly-funded health insurance program; and

20

21 **Whereas**, the complex bureaucracy arising from our system of fragmented, for-  
22 profit, multi-payer system of health care financing consumes approximately 30% of United  
23 States health care spending; and

24

25           **Whereas**, independent research by Kenneth E. Thorpe, PhD. found in 2003 that  
26 if Missouri adopted a single-payer, universal health program with benefits more generous than  
27 75% of all private insurance benefits in the state, Missouri health care spending would decline  
28 by a savings of \$1.3 billion in administrative costs alone under a streamlined administrative  
29 structure; and  
30

31           **Whereas**, United States Representative John Conyers has introduced H.R. 676, the  
32 United States National Health Insurance Act, in the United States House of Representatives, and  
33 this act would provide a universal, comprehensive, single-payer system of high quality national  
34 health insurance:  
35

36           **Now, therefore, be it resolved** that the members of the House of  
37 Representatives of the Ninety-fourth General Assembly, First Regular Session, the Senate  
38 concurring therein, hereby respectfully urge the United States Congress to enact the United States  
39 National Health Insurance Act sponsored by Representative Conyers; and  
40

41           **Be it further resolved** that the Chief Clerk of the Missouri House of  
42 Representatives be instructed to prepare a properly inscribed copy of this resolution for President  
43 George W. Bush and each member of the Missouri Congressional delegation.
