*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 390.030, RSMo, is repealed and two new sections enacted in lieu thereof, to be known as sections 387.075 and 390.030, to read as follows:

The filing of applications by common carriers under this section shall be authorized upon the same terms and conditions as provided in section 386.266, RSMo, with reference to the filing of applications to the public service commission by an electrical, gas, or water corporation. These applications shall be made in such form, and shall contain such information, as the state highways and transportation commission reasonably may require.**

**2. Notwithstanding any provision of chapter 390, RSMo, chapter 622, RSMo, or this chapter to the contrary, the state highways and transportation commission shall consider and determine every application filed under subsection 1 of this section, upon the same terms and conditions as provided in section 386.266, RSMo, with reference to the**
