FIRST REGULAR SESSION HOUSE BILL NO. 208

94TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVES SCHAAF (Sponsor), COOPER (155), PAGE, SATER, BAKER (25) AND MOORE (Co-sponsors).

Pre-filed January 2, 2007 and copies ordered printed.

D. ADAM CRUMBLISS, Chief Clerk

0551L.01I

AN ACT

To amend chapter 334, RSMo, by adding thereto ten new sections relating to regulation of professional licenses, with a penalty provision.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 334, RSMo, is amended by adding thereto ten new sections, to be known as sections 334.1000, 334.1003, 334.1006, 334.1009, 334.1012, 334.1015, 334.1018, 2 334.1021, 334.1024, and 334.1050, to read as follows: 3 334.1000. Sections 334.1000 to 334.1024 shall be known and may be cited as the "Medical Imaging and Radiation Therapy Quality Assurance Act of 2007". 2 334.1003. As used in sections 334.1000 to 334.1024, the following terms mean: 2 (1) "Board", the medical imaging and radiation therapy board of examiners 3 created in section 334.1012; (2) "Chiropractic radiologist", a physician certified by the American Chiropractic 4 **Board of Radiology;** 5 (3) "Dental radiographer", a person, other than a licensed practitioner, dental 6 7 assistant working under direct supervision of a licensed practitioner required under 8 chapter 332, RSMo, or person who administers medical imaging or radiation therapy 9 procedures on humans, whose duties are restricted to radiography of the maxilla and 10 mandible for diagnostic purposes;

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

11 (4) "Director", the director of the division of professional registration within the 12 department of economic development;

(5) "License", a certificate issued by the board authorizing the licensee to use 13 14 radioactive materials, medical imaging, or radiation therapy equipment on humans for 15 diagnostic or therapeutic purposes in accordance with sections 334.1000 to 334.1024;

16

(6) "Licensed practitioner", a person licensed to practice medicine, dentistry, podiatry, chiropractic, osteopathy, veterinary medicine, or as a registered nurse or dental 17 18 hygienist in this state;

19 (7) "Limited permit", a certificate issued by the board authorizing a person to conduct diagnostic radiology examinations that is limited to the performance of specific 20 21 medical imaging procedures on specific parts of the human body, such as chest, spine, or 22 extremity radiography;

23 (8) "Medical imaging", any procedures or article intended for use in the diagnosis 24 of disease or other medical or dental conditions, including but not limited to diagnostic Xrays and nuclear medicine; 25

26 (9) "Nuclear medicine technologist", a person, other than a licensed practitioner, 27 who uses radiopharmaceutical agents on humans for diagnostic or therapeutic purposes; 28 (10) "Persons who administer medical imaging or radiation therapy procedures",

29 any person, other than a licensed practitioner, who intentionally administers medical 30 imaging or radiation therapy procedures to other persons for medical purposes, and 31 including, but not limited to, radiographers, radiation therapists, and nuclear medicine technologists, licensed under sections 334.1000 to 334.1024; 32

33 (11) "Public member", a person who is a resident of this state but who is not a 34 licensed practitioner, person who administers medical imaging and radiation therapy procedures, or dental radiographer under sections 334.1000 to 334.1024; 35

36 (12) "Radiation therapist", a person, other than a licensed practitioner, who 37 applies radiation to humans for therapeutic purposes;

38 (13) "Radiation therapy", any radiation procedure or article intended for the cure, 39 mitigation, or prevention of disease in humans;

40 (14) "Radiologic physicist", a person who is certified by the American Board of 41 Radiology in radiological physics or one of the subspecialties of radiological physics, or is 42 eligible for such certification;

43 (15) "Radiographer", a person, other than a licensed practitioner, who applies 44 radiation to humans for diagnostic purposes;

45 (16) "Radiologist", a physician certified by the American Board of Radiology or the American Osteopathic Board of Radiology, the American Chiropractic Board of 46

3

47 Radiology, the British Royal College of Radiology, or the Canadian College of Physicians
48 and Surgeons;

(17) "Temporary license", a certificate issued by the board authorizing an applicant to perform medical imaging and radiation therapy procedures when his or her licensure or relicensure is pending before the board and when issuance may be justified by special circumstances as determined by the board.

334.1006. 1. No person, other than a licensed practitioner, person who administers
medical imaging and radiation therapy procedures, or dental radiographer shall perform
medical imaging or radiation therapy procedures on humans for diagnostic or therapeutic
purposes.

5 2. The board shall establish licensure standards consistent with national 6 accreditation standards for the radiographer (R), radiation therapist (T), nuclear medicine 7 technologist (N), dental radiographer (D), limited permit holder, and temporary license 8 holder. Persons holding such licenses shall be recognized by this nomenclature.

9 **3.** A person holding a license under sections 334.1000 to 334.1024 shall use 10 radioactive substances or equipment for medical imaging and radiation therapy 11 procedures on humans only for diagnostic or therapeutic purposes at the direction of a 12 licensed practitioner, and only if the application of a substance or the use of equipment is 13 limited in a manner specified in sections 334.1000 to 334.1024.

4. Nothing in sections 334.1000 to 334.1024 relating to medical imaging, radiation
 therapy, or dental radiography shall limit, enlarge, or affect the practice of licensed
 practitioners as defined in section 334.1003.

5. The requirement of a license shall not apply to a resident physician or a student enrolled in and attending a school or college of medicine, osteopathy, chiropractic, podiatry, dentistry, dental hygiene, medical imaging, or radiation therapy who performs medical imaging or radiation therapy procedures on humans while under the supervision of a licensed practitioner or direct supervision of a radiographer, radiation therapist, or nuclear medicine technologist holding a license under sections 334.1000 to 334.1024.

6. The provisions of sections 334.1000 to 334.1024 shall not apply to persons
 performing sonography services or bone density studies.

334.1009. 1. There is hereby established the "Medical Imaging and Radiation Therapy Board of Examiners" which shall consist of twelve members appointed by the governor with the advice and consent of the senate. All members of the board shall be residents of this state. Of the twelve board members, five shall be persons who administer medical imaging and radiation therapy procedures, three shall be radiologists, one of 6 whom shall be a chiropractic radiologist, two shall be other licensed practitioners, one shall

7 be a radiologic physicist, and one shall be a public member.

8 2. The term of office for each member of the board shall be three years; except that, 9 of the members first appointed four shall be appointed to a term of one year, four shall be 10 appointed to a term of two years, and four shall be appointed to a term of three years. 11 Vacancies shall be filled for an unexpired term only in the manner provided by original 12 appointment.

3. Persons who administer medical imaging or radiation therapy procedures
 appointed to the board for terms beginning thirty-six months following issuance of a
 license in any category by the board shall hold a valid license in any category issued by the
 board.

4. Members of the board shall not receive compensation for their service on the
board, but may be reimbursed for reasonable and necessary expenses incurred in the
performance of their official duties as members of the board.

5. The director of the division of professional registration shall designate an officer or employee of the state to act as a secretary of the board who shall not be a member of the board. The director shall furnish staff, logistics, budget, and other support to the board as appropriate.

6. No public member shall have any association or relationship with a licensed practitioner, person who administers medical imaging or radiation therapy procedures, or dental radiographer that would prevent or in any way hinder the public member in representing the interest of the public.

7. For administrative purposes, the board shall meet at least once every three months at times and places of its choosing. The first meeting of the board shall be for organization only, in which the board will set forth its responsibilities and rules.

8. A majority of the voting members shall constitute a quorum. No action shall be
taken by the board except by an affirmative vote of the majority of those members present
and voting.

9. The board shall be responsible for setting and implementing policies for licensing
 individuals, accrediting programs, imposing discipline, and hearing appeals.

334.1012. 1. The board shall admit to examination for licensure any applicant who
pays a nonrefundable fee established by rule of the board and submits satisfactory
evidence, verified by oath or affirmation, that the applicant:

4

(1) At the time of application, the applicant is at least eighteen years of age; and

5 (2) Has successfully completed a four-year course of study in a secondary school 6 approved by the state board of education, or passed an approved equivalency test.

2. In addition to the requirements in subsection 1 of this section, any person seeking
to obtain a license in a specific area of medical imaging and radiation therapy shall comply
with the following requirements:

(1) Each applicant for a license as a radiographer, radiation therapist, nuclear
medicine technologist, or dental radiographer shall have satisfactorily completed a course
of study in radiography, radiation therapy, nuclear medicine, or dental radiography,
respectively, or an equivalent to be determined by the board;

(2) The curriculum for each course of study shall be based on the standards
 approved by the Joint Review Committee on Education in Radiologic Technology, the
 Joint Review Committee on Nuclear Medicine Technology, or other appropriate
 accreditation agencies approved by the board.

3. The board shall establish criteria and standards within the state for educational
 programs in medical imaging and radiation therapy consistent with national accreditation
 standards, and approve such programs upon finding that the criteria and standards have
 been met.

4. In addition to the requirements in subsection 1 of this section, any person seeking
 a license in dental radiography shall comply with the following requirements:

(1) Each applicant for a license as a dental radiographer shall have satisfactorily
 completed a course of study for dental radiography, or its equivalent, as determined by the
 board; and

(2) The curriculum for the course of study may follow, and shall be no less stringent
than the standards approved by the Section on Oral Radiology of the American
Association of Dental Schools, provided such standards are not in conflict with board
policy.

5. In addition to the requirements of subsection 1 of this section, the scope of each
limited permit is restricted as follows:

33

(1) Chest radiography permit: radiography of the thorax, heart, and lungs;

34 (2) Skeletal radiography permit: radiography of the upper and lower extremities,
 35 or the vertebral column.

6. The board shall waive the examination and education requirements for licensure of a person who has been employed on a full-time basis for a minimum of three of the immediately preceding five years as a radiographer, radiation therapist, nuclear medicine technologist, or dental radiographer. Such person shall have a minimum of two years to meet the continuing education requirements set by the board for renewal of licensure.

The board shall be authorized to study the impact of waiving the licensure
 requirements for persons who use equipment powered by no more than one hundred ten

6

volt electricity and, if after analysis the board determines the benefit to outweigh the risk
to the public, the board may issue a rule waiving such licensure requirement.

8. (1) There is hereby created in the state treasury the "Medical Imaging and Radiation Therapy Licensure Fund", which shall consist of money collected pursuant to sections 334.1000 to 334.1024. The state treasurer shall be custodian of the fund and shall disburse moneys from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the fund shall be used solely for the administration of sections 334.1000 to 334.1024.

51 (2) Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any 52 moneys remaining in the fund at the end of the biennium shall not revert to the credit of 53 the general revenue fund.

(3) The state treasurer shall invest moneys in the fund in the same manner as other
funds are invested. Any interest and moneys earned on such investments shall be credited
to the fund.

334.1015. 1. An approved program of medical imaging and radiation therapy may
be offered by a medical, chiropractic, or dental facility, educational institution,
chiropractic college, or other public or private agency or institution. The program shall
be affiliated with one or more hospitals or dental schools or chiropractic colleges that, in
the opinion of the board and the appropriate accrediting agency, shall provide the requisite
clinical education.

7 **2.** The board shall by rule:

8 (1) Adopt procedures for an educational program to follow in making application
9 for accreditation;

(2) Provide a process for review of such accreditation by an existing accreditation
 agency and approval by a recognized national voluntary accrediting organization.

334.1018. 1. Each applicant for licensure shall be required to pass a license 2 examination designed and approved by the board.

3 2. The board shall hold an examination at least every six months at times and places
4 as the board may determine.

5 **3.** An applicant who fails to pass the examination may reapply for the examination 6 provided the applicant complies with the rules established by the board.

7

4. The board shall accept in lieu of its own examination:

8 (1) A current certificate by the American Registry of Radiologic Technologists or
9 Nuclear Medicine Technologist Certification Board;

10 (2) A current certificate issued on the basis of a satisfactory completion of the 11 certification examination given by the Dental Assisting National Board, Inc., or the 12 National Board of Dental Examiners;

(3) A limited scope radiography examination administered by the American
 Registry of Radiologic Technologists or the American Chiropractic Radiology Registry of
 Technologists for persons applying for a limited permit in chest, extremity, or spine
 radiography.

17

5. The board may accept in lieu of its own examination:

(1) A current certificate from a recognized national voluntary credentialing body
 not described in subsection 4 of this section that is issued on the basis of an examination
 satisfactory to the board; provided that the standards of such credentialing body are at
 least as stringent as those established by the board;

(2) A current certificate, registration, or license as a person who administers
 medical imaging and radiation therapy procedures issued by another state; provided that
 the standards in the other state are at least as stringent as those established by the board;

(3) A current certificate from a recognized national voluntary credentialing body
not described in subsection 4 of this section for persons applying for a limited permit in
chest, extremity, or spine radiography; provided that the standards of such credentialing
body are at least as stringent as those established by the board.

334.1021. 1. The board may issue a license to each applicant who has either
successfully passed the examination or qualified under subsection 4 or 5 of section 334.1018
and has paid the prescribed fees.

4 2. The board may at its discretion issue a temporary license to any person whose licensure or relicensure may be pending and when issuance may be justified by special 5 circumstances. A temporary license shall be issued only if the board finds that it will not 6 violate the purpose of sections 334.1000 to 334.1024 or endanger the public health and 7 8 safety. A temporary license shall expire ninety days after the date of the next examination if the applicant is required to take the examination, or if the applicant does not take the 9 10 examination, then on the date of the examination. In all cases, a temporary license shall expire when the determination is made either to issue or deny the applicant a regular 11 12 license and in no event shall a temporary license be issued for a period longer than one 13 hundred eighty days.

3. Holders of a license under sections 334.1000 to 334.1024 shall display the official
 license document or a verified copy in each place of regular employment.

8

4. The board shall renew a license for a period of two years upon payment of the
renewal fee set by the board. Continuing education requirements may also be set by rule
of the board.

19 5. A licensee holding a license or permit under sections 334.1000 to 334.1024 whose 20 license has lapsed and who has ceased activities as such for more than five years may apply 21 for relicensure upon payment of a fee set by the board. Continuing education 22 requirements may also be set by the board.

6. A licensee holding a license or permit under sections 334.1000 to 334.1024 shall
notify the board in writing within thirty days of any name or address change.

334.1024. 1. The license of a licensee or permittee holding a license or permit under sections 334.1000 to 334.1024 may be suspended or revoked, or the individual may be censured, reprimanded, or otherwise sanctioned by the board in accordance with the provisions and procedures of sections 334.1000 to 334.1024 if, after due process, it is found that the individual:

6 (1) Is guilty of fraud or deceit in the procurement or holding of the license or 7 permit;

8 (2) Has been convicted of a felony in a court of competent jurisdiction, either within 9 or outside of this state, unless the conviction has been reversed and the holder of the license 10 or permit is discharged or acquitted, or if the holder has been pardoned with full 11 restoration of civil rights in which case the license or permit shall be restored;

(3) Is or has been afflicted with any medical problem, disability, or addiction which
in the opinion of the board would impair professional competence;

(4) Has aided and abetted a person who is not a licensee or permittee holding a
 license under sections 334.1000 to 334.1024 or otherwise authorized by subsection 3 of
 section 334.1009 to perform the duties of a license or permit holder;

17 (5) Has undertaken or engaged in any practice beyond the scope of duties permitted
 18 a license or permit holder under sections 334.1000 to 334.1024;

(6) Has impersonated a licensee or permittee or former licensee or former
 permittee, or is performing duties of a dental radiographer, or a person who administers
 medical imaging or radiation therapy procedures under an assumed name;

(7) Has been found guilty of violations of a code of ethics that the board mayestablish by rule;

(8) Has performed medical imaging or radiation therapy procedures without
 supervision of a licensed practitioner, or radiographer, radiation therapist, nuclear
 medicine technologist holding a license under sections 334.1000 to 334.1024;

(9) Has interpreted a diagnostic image for a physician, a patient, the patient's
 family, or the public;

(10) Is or has been found guilty of incompetence or negligence in his or her
 performance as a license or permit holder.

31

Any person aggrieved by an official action of the board affecting the licensed status of a person under the provisions of sections 334.1000 to 334.1024, including the refusal to grant, the granting, the revocation, the suspension, or the failure to renew a license, may seek a determination thereon by the administrative hearing commission pursuant to the provisions of section 621.045, RSMo, and it shall not be a condition to such determination that the person aggrieved seek a reconsideration, a rehearing, or exhaust any other procedure with the board.

39 2. Proceedings against the holder of a license or permit under sections 334.1000 to 40 334.1024 shall be commenced by filing a written charge or charges with the board. A person, corporation, association, public officer, or the board may bring the charge or 41 42 charges. The board may refuse to issue or renew any license or permit required under 43 sections 334.1000 to 334.1024 for one or any combination of causes stated in subsection 1 of this section. The board shall notify the licensee or permittee in writing of the reasons 44 45 for the refusal and shall advise the licensee or permittee of his or her right to file a 46 complaint with the administrative hearing commission as provided by chapter 621, RSMo. 47 3. When the license or permit of any person has been revoked, reapplication to the

48 board may be made no sooner than two years after the date of the board's order revoking
49 the license or permit.

4. No person shall knowingly employ as a radiographer, radiation therapist, nuclear medicine technologist, dental radiographer, or any person to perform medical imaging or radiation therapy procedures who does not hold a license under sections 334.1000 to 334.1024.

54 5. Any person who violates the provisions of sections 334.1000 to 334.1024, or any 55 rule or order made under sections 334.1000 to 334.1024, is guilty of a class A misdemeanor 56 and shall be subject to the sanctions of subsection 2 of this section, or other appropriate 57 punishment.

6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo,
that is created under the authority delegated in sections 334.1000 to 334.1024 shall become
effective only if it complies with and is subject to all of the provisions of chapter 536,
RSMo, and, if applicable, section 536.028, RSMo. Sections 334.1000 to 334.1024 and
chapter 536, RSMo, are nonseverable and if any of the powers vested with the general

assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to
disapprove and annul a rule are subsequently held unconstitutional, then the grant of
rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be
invalid and void.

7. Any person licensed to practice veterinary medicine under chapter 340, RSMo,
is exempt from the provisions of sections 334.1000 to 334.1024, except for section 334.1018,
when acting within such person's scope of practice.

334.1050. 1. Beginning August 28, 2009, any sonographer or vascular technologist who, as a Medicaid provider, provides the technical component of a diagnostic ultrasound service shall be credentialed in the appropriate modality by the American Registry for Diagnostic Medical Sonography (ARDMS) or by Cardiovascular Credentialing International (CCI), or shall practice in a laboratory accredited by the American Institute on Ultrasound in Medicine (AIUM), the American Society for the Inter-Societal Accreditation of Vascular Laboratories (ASICAVL), or the Inter-Societal Commission or the Accreditation of Echocardiography Laboratories (ICAEL).

9 2. For purposes of this section, "sonographer or vascular technologist" means any 10 nonphysician who is qualified by national credentialing to perform diagnostic medical 11 ultrasound. A sonographer or vascular technologist may also be known as an ultrasound 12 technologist or sonologist.

3. Any sonographer or vascular technologist who is credentialed as required in
 subsection 1 of this section shall, in performing a diagnostic ultrasound, perform the work
 under the supervision of a physician or surgeon licensed under chapter 334, RSMo.

4. A health care facility or provider wishing to secure coverage and payment under
 the Medicaid program for diagnostic ultrasound services shall develop policies and
 procedures to implement the requirements of this section.

5. This section and policies and procedures adopted under this section shall not
 prohibit any physician or surgeon licensed in this state from performing the technical
 component of a diagnostic ultrasound.
