Such liability includes the cost of materials[,] **and** supplies [and contractual services] actually used to secure [an] **the** emergency situation. 16 **the political subdivision or volunteer fire protection association shall submit to** the person  
17 having control of the spilled hazardous substance [of] an itemized statement of costs provided  
18 by the political subdivision. **The statement of costs shall include but not be limited to an**

20 **describe how such costs were not duplicative, did not include costs for normal services that**  
21 **would otherwise have been provided, and why contractual services, if any, were utilized**  
22 **in the response to the emergency situation.**

23         2. Full payment shall be made within thirty days of receipt of the cost statement unless

25 to this section. If the person having control over the hazardous substance elects to contest the  
26 payment of such costs, [he] **such person** shall file an appeal with the director within thirty days  
27 of receipt of the cost statement.

28         3. Upon receipt of such an appeal, the director shall notify the parties involved of the

39 department for reimbursement from the hazardous waste fund created in section 260.391 for the  
40 costs for which the person having control over a hazardous substance shall be liable if the  
41 political subdivision or volunteer fire protection association is able to demonstrate a need for  
42 immediate relief for such costs and believes it will not receive prompt payment from the person  
43 having control over a hazardous substance. When the liability owed to the political subdivision  
44 or volunteer fire protection association by the person having control over a hazardous substance  
45 is paid, the political subdivision or volunteer fire protection association shall reimburse the  
46 department for any payment it has received from the hazardous waste fund. Such reimbursement

51 association within that time.
