376.309. 1. As used in this section, "separate account" means an account established by
2 an insurance company, into which any amounts paid to or held by such company under
3 applicable contracts are credited and the assets of which, subject to the provisions of this section,
4 may be invested in such investments as shall be authorized by a resolution adopted by such
5 company's board of directors. The income, if any, and gains and losses, realized or unrealized,
6 on such account shall be credited to or charged against the amounts allocated to such account
7 without regard to other income, gains or losses of the company. If and to the extent so provided
8 under the applicable contracts, that portion of the assets of any such separate account equal to
9 the reserves and other contract liabilities with respect to such account shall not be chargeable
10 with liabilities arising out of any other business the company may conduct.

11 2. Any domestic life insurance company may, after adoption of a resolution by its board
12 of directors, establish one or more separate accounts, and may allocate to such account or
13 accounts any amounts paid to or held by it which are to be applied under the terms of an
14 individual or group contract to provide benefits payable in fixed or in variable dollar amounts
15 or in both.

16 3. To the extent it deems necessary to comply with any applicable federal or state act,
17 the company may, with respect to any separate account or any portion thereof, provide for the
18 benefit of persons having beneficial interests therein special voting and other rights and special
19 procedures for the conduct of the business and affairs of such separate account or portion thereof,
20 including, without limitation, special rights and procedures relating to investment policy,
21 investment advisory services, selection of public accountants, and selection of a committee, the
22 members of which need not be otherwise affiliated with the company, to manage the business
23 and affairs of such separate account or portion thereof; and the corporate charter of such
24 company shall be deemed amended to authorize the company to do so. The provisions of this
25 section shall not affect existing laws pertaining to the voting rights of such company's
26 policyholders.

27 4. The amounts allocated to any separate account and the accumulations thereon may be
28 invested and reinvested without regard to any requirements or limitations prescribed by the laws
29 of this state governing the investments of life insurance companies, and the investments in such
30 separate account or accounts shall not be taken into account in applying the investment
31 limitations, including but not limited to quantitative restrictions, otherwise applicable to the

32 investments of the company, except that to the extent that the company's reserve liability with
33 regard to benefits guaranteed as to principal amount and duration, and funds guaranteed as to
34 principal amount or stated rate of interest, is maintained in any separate account, a portion of the
35 assets of such separate account at least equal to such reserve liability shall be, except as the
36 director [of insurance] might otherwise approve, invested in accordance with the laws of this
37 state governing the general investment account of any company. As used herein, the expression
38 "general investment account" shall mean all of the funds, assets and investments of the company
39 which are not allocated in a separate account. The provisions of section 376.170 relating to
40 deposits for registered policies shall not be applicable to funds and investments allocated to
41 separate accounts. No investment in the separate account or in the general investment account
42 of a life insurance company shall be transferred by sale, exchange, substitution or otherwise from
43 one account to another unless, in case of a transfer into a separate account, the transfer is made
44 solely to establish the account or to support the operation of the contracts with respect to the
45 separate account to which the transfer is made or unless the transfer, whether into or from a
46 separate account, is made by a transfer of cash, or by a transfer of other assets having a readily
47 determinable market value, provided that such transfer of other assets is approved by the director
48 [of insurance] and is for assets of equivalent value. Such transfer shall be deemed approved to
49 the extent the assets of a separate account so transferred have been paid to or are being held by
50 the company in connection with a pension, retirement or profit-sharing plan subject to the
51 provisions of the Internal Revenue Code, as amended, and the Employee Retirement Income
52 Security Act of 1974, as amended. The director [of insurance] may withdraw such deemed
53 approval by providing written notice to the company that its financial condition or past practices
54 require such withdrawal. The director [of insurance] may approve other transfers among such
55 accounts if the director concludes that such transfers would be equitable.

56 5. Unless otherwise approved by the director [of insurance], assets allocated to a separate
57 account shall be valued at their market value on the date of valuation, or if there is no readily
58 available market, then as provided under the terms of the contract or the rules or other written
59 agreement applicable to such separate account; provided, that the portion of the assets of such
60 separate account at least equal to the company's reserve liability with regard to the guaranteed
61 benefits and funds referred to in subsection 4 of this section, if any, shall be valued in accordance
62 with the rules otherwise applicable to the company's assets.

63 6. The director [of insurance] shall have the sole and exclusive authority to regulate the
64 issuance and **authority to regulate the** sale of contracts under which amounts are to be allocated
65 to one or more separate accounts as provided herein, and to issue such reasonable rules,
66 regulations and licensing requirements as [he] **the director** shall deem necessary to carry out the
67 purposes and provisions of this section; and [such contracts,] the companies [which] **that** issue

68 [them and the agents or other persons who sell them] **such contracts** shall not be subject to
69 [sections 409.101 to 409.419, RSMo, or amendments thereto, nor to the jurisdiction of the]
70 **registration with the** commissioner of securities. **The director may, subject to the provisions**
71 **of section 374.185, RSMo, consult and cooperate with the commissioner of securities in**
72 **investigations arising from the offer and sale of contracts regulated under this section and**
73 **may request assistance from the commissioner of securities in any proceeding arising from**
74 **the offer and sale of any such contracts.**

75 7. No domestic life insurance company, and no other life insurance company admitted
76 to transact business in this state, shall be authorized to deliver within this state any contract under
77 which amounts are to be allocated to one or more separate accounts as provided herein until said
78 company has satisfied the director [of insurance] that its condition or methods of operation in
79 connection with the issuance of such contracts will not render its operation hazardous to the
80 public or its policyholders in this state. In determining the qualifications of a company
81 requesting authority to deliver such contracts within this state, the director [of insurance] shall
82 consider, among other things:

83 (1) The history and financial condition of the company;

84 (2) The character, responsibility and general fitness of the officers and directors of the
85 company; and

86 (3) In the case of a company other than a domestic company, whether the statutes and
87 regulations of the jurisdiction of its incorporation provide a degree of protection to policyholders
88 and the public which is substantially equal to that provided by this section and the rules and
89 regulations issued thereunder.

90 8. An authorized life insurance company, whether domestic, foreign or alien, which
91 issues contracts under which amounts are to be allocated to one or more separate accounts as
92 provided herein, and which is a subsidiary of or affiliated through common management or
93 ownership with another life insurance company authorized to do business in this state, may be
94 deemed to have met the provisions of subsection 7 of this section if either it or the parent or
95 affiliated company meets the requirements thereof.

96 9. If the contract provides for payment of benefits in variable amounts, it shall contain
97 a statement of the essential features of the procedure to be followed by the company in
98 determining the dollar amount of such variable benefits. Any such contract, including a group
99 contract, and any certificate issued thereunder, shall state that such dollar amount may decrease
100 or increase and shall contain on its first page a statement that the benefits thereunder are on a
101 variable basis.

102 10. Except as otherwise provided in this section, all pertinent provisions of the insurance
103 laws of this state shall apply to separate accounts and contracts relating thereto.

376.620. [In all suits upon policies of insurance on life hereafter issued by any company
2 doing business in this state, to a citizen of this state, it shall be no defense that the insured
3 committed suicide, unless it shall be shown to the satisfaction of the court or jury trying the
4 cause, that the insured contemplated suicide at the time he made his application for the policy,
5 and any stipulation in the policy to the contrary shall be void.] **1. Any life insurance or
6 certificate issued or delivered in this state, may exclude or restrict liability of death as the
7 result of suicide in the event the insured, while sane or insane, dies as a result of suicide
8 within one year from the date of the issue of the policy or certificate.**

**2. Any life insurance policy or certificate which contains any exclusion or
10 restriction under subsection 1 of this section shall also provide that in the event the insured
11 dies as a result of suicide within one year from the date of issue of the policy that the
12 insurer shall promptly refund all premiums paid for coverage on such insured.**

376.889. [In addition to any other applicable penalties, the director may require issuers
2 violating any provision of sections 376.850 to 376.890 or regulations promulgated pursuant to
3 sections 376.850 to 376.890 to cease marketing any Medicare supplement policy or certificate
4 in this state which is related directly or indirectly to a violation, or may require such issuer to
5 take such actions as are necessary to comply with the provisions of sections 376.850 to 376.890,
6 or both] **1. If the director determines that a person has engaged, is engaging in, or has
7 taken a substantial step toward engaging in an act, practice or course of business
8 constituting a violation of sections 376.850 to 376.890 or a rule adopted or order issued
9 pursuant thereto, or that a person has materially aided or is materially aiding an act,
10 practice, omission, or course of business constituting a violation of sections 376.850 to
11 376.890 or a rule adopted or order issued pursuant thereto, the director may issue such
12 administrative orders as authorized under section 374.046, RSMo. A violation of any of
13 these sections is a level two violation under section 374.049, RSMo.**

**2. If the director believes that a person has engaged, is engaging in, or has taken
15 a substantial step toward engaging in an act, practice or course of business constituting a
16 violation of sections 376.850 to 376.890 or a rule adopted or order issued pursuant thereto,
17 or that a person has materially aided or is materially aiding an act, practice, omission, or
18 course of business constituting a violation of sections 376.850 to 376.890 or a rule adopted
19 or order issued pursuant thereto, the director may maintain a civil action for relief
20 authorized under section 374.048, RSMo. A violation of any of these sections is a level two
21 violation under section 374.049, RSMo.**

376.1094. **1. The director shall suspend or revoke the certificate of authority of an
2 administrator [shall be suspended or revoked] if the director finds that the administrator:**

3 (1) Is in an unsound financial condition;

4 (2) Is using such methods or practices in the conduct of its business so as to render its
5 further transaction of business in this state hazardous or injurious to insured persons or the
6 public; or

7 (3) Has failed to satisfy any judgment rendered against it in this state within sixty days
8 after the judgment has become final.

9 2. The director may, in his discretion, suspend or revoke the certificate of authority of

37 the following circumstances exist:

38 (1) The administrator is insolvent or impaired;

39 (2) A proceeding for receivership, conservatorship, rehabilitation, or other delinquency
