

JOURNAL OF THE HOUSE

First Regular Session, 94th GENERAL ASSEMBLY

ELEVENTH DAY, TUESDAY, JANUARY 23, 2007

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Msgr. Donald W. Lammers.

Let us pray, first, by listening, listening to a verse from the Hebrew Scriptures.

"The Lord God formed man out of the clay of the ground
and blew into his nostrils the breath of life
and so man became a living being."
(*Genesis 2:7*)

Holy God and Creator of all, we who believe in You learn from this Word that You are the Creator of Life.

We thank You for our own life. It is our most precious possession. In our families many of us are entrusted with the care of the very lives of others. We have accepted this responsibility, and we give thanks for the love and fulfillment we receive in carrying it out.

Almighty God, in our work here, give us the wisdom to carry out a similar responsibility of supporting and caring for the lives of others. In our family and our work, may our faith cause us to remember that You, the Creator of Life, are the Lord of Life.

May we and other leaders in our State and across our Nation make plans, develop legislation, and so govern that we always respect You alone as God and Lord of Life.

We glorify You, our God forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Lauren Hyndman, Andrew Kemna, Ashleigh Mellis, Anthony Orlando, Jessica Stafford and Joshua Ward.

Representative Bruns assumed the Chair.

The Journal of the tenth day was approved as printed by the following vote:

HOUSE CONCURRENT RESOLUTION NO. 13

AN ACT

Disapproving the amount of increase in compensation for public officials as recommended by the Missouri Citizen's Commission on Compensation for Elected Officials.

WHEREAS, the voters of Missouri approved a constitutional amendment in 1994 which created a commission charged with setting the amount of compensation paid to statewide elected officials, legislators and judges; and

WHEREAS, Article XIII, Section 3 of the Missouri Constitution charges the Missouri Citizen's Commission on Compensation for Elected Officials with setting the amounts of compensation paid to statewide elected officials, legislators, and judges; and

WHEREAS, the Constitution provides the Commission with a four-month window prior to its constitutional deadline for making salary recommendations to hold public hearings around the state to gather testimony related to salaries for affected state officials and to carefully consider whether pay increases are warranted; and

WHEREAS, in 2006, the Commission did not begin work until eleven days before its December 1, 2006, deadline for submitting a report containing salary recommendations; and

WHEREAS, as few as six members of the twenty-two member Commission attended the public hearings at which testimony on salaries for affected officials was given; and

WHEREAS, the Commission recommended pay increases for state judges and statewide elected officials effective July 1, 2007, and pay increases for legislators effective January 1, 2009; and

WHEREAS, Citizens' Commission on Compensation for Elected Officials attempted to compile a fiscally prudent and responsible compensation schedule that would allow for modest, reasonable increases for all persons affected; and

WHEREAS, the Commission believes that the recommendation accomplishes the twin goals of making the commission function again and rectifying the currently dysfunctional pay system for legislators, statewide elected officials, and judges; and

WHEREAS, when considered as an annual percentage over the years that have passed since any of these officials last received any increase, this report's recommended increases amount to less than a 1% increase per year for all offices; and

WHEREAS, the recommendation establishes a system for consistent future increases in the same manner as other State of Missouri employees; and

WHEREAS, the Commission's recommendations shall take effect unless disapproved by the General Assembly through a concurrent resolution process passed by two-thirds majorities in each legislative chamber before February 1, 2007:

NOW, THEREFORE, BE IT RESOLVED by the members of the House of Representatives of the Ninety-fourth General Assembly, First Regular Session, the Senate concurring therein, that the recommendations of the Missouri Citizen's Commission on Compensation of Elected Officials be disapproved.
