

JOURNAL OF THE HOUSE

First Regular Session, 94th GENERAL ASSEMBLY

FIFTY-FIFTH DAY, WEDNESDAY, APRIL 11, 2007

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Reverend James Earl Jackson.

You are our portion, O Lord. We strive to keep Your established principles. We seek Your favor with our whole heart. Be merciful to us according to Your Word.

You have dealt well with Your servants, O Lord: pouring out liberally Your blessings of wisdom, provision, health and safety. You are good and You do good.

Heavenly Father, we pray that we would not be as those who grope around in the dark without any sense of direction or purpose, but as those who are illuminated by the light of truth and do not stumble. May that light guide us in all of our undertakings, this week, on behalf of this state.

Blessing and glory and wisdom, thanksgiving and honor and power and might, be unto You forever and ever.

The grace of our Lord Jesus Christ be with us all. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Ashton Kratky, Stuart Murry, Megan Evans, Allie Lowe, Danny Naber and Dillon Richardson.

The Journal of the fifty-fourth day was approved as printed.

Representative Muschany assumed the Chair.

SPECIAL RECOGNITION

Dr. Karen Hendrickson of Cape Girardeau was introduced by Representative Cooper (158) and recognized as an Outstanding Missourian.

PERFECTION OF HOUSE BILL

HCS HBs 952 & 674, relating to long-term care facilities, was taken up by Representative Wilson (130).

Representative Wilson (130) offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill Nos. 952 & 674, Section 198.074, Page 5, Lines 1-4, by deleting all of said lines and inserting in lieu thereof the following:

"198.074. 1. Effective August 28, 2007, all new facilities built on or after August 28, 2007, or any facilities completing a major renovation to the facility on or after August 28, 2007, as defined and approved by the department, and which are licensed under this chapter shall install and maintain an approved sprinkler system in accordance with National Fire Protection Association (NFPA) 13.

2. Facilities that were initially licensed and had an approved sprinkler system and were required to have an approved sprinkler system installed under section 198.073, prior to August 28, 2007, shall continue to meet all laws, rules, and regulations for testing, inspection and maintenance of the sprinkler system that were in effect for such facilities on August 27, 2007.

3. All skilled nursing facilities and intermediate care facilities initially licensed on"; and

Further amend said substitute, said section, Pages 5-6, Lines 15-29, by deleting all of said lines and inserting in lieu thereof the following:

"4. All facilities, not included in subsection 3 of this section, which are initially licensed under this chapter prior to August 28, 2007, and that do not have installed an approved sprinkler system in accordance with NFPA 13R prior to August 28, 2007, shall install and maintain an approved sprinkler system in accordance with NFPA 13R by December 31, 2019, unless the facility receives an exemption from the department and presents evidence in writing from a certified sprinkler system representative or licensed engineer that the facility is unable to install an approved National Fire Protection Association 13R system due to the unavailability of water supply requirements associated with this system. Facilities that take a substantial step, as specified in subsection 8 of this section, to install an approved NFPA 13R system prior to December 31, 2019, may apply to the department for a loan matching funds dollar for dollar, in accordance with section 3, to install such system. However, such loan shall not be available if by December 31, 2009, the average total reimbursement for the care of persons eligible for Medicaid public assistance in an assisted living facility and residential care facility is equal to or exceeds fifty-five dollars per day. The average total reimbursement includes room, board, and care delivered by the facility, but shall not include payments to the facility for care or services not provided by the facility. If a facility under this subsection does not have an approved sprinkler system installed by December 31, 2019, such facility shall be required to install and maintain an approved sprinkler system in accordance with NFPA 13 by December 31, 2020. Such loans received under this subsection and in accordance with section 3, shall be paid as follows:

(1) Ten years for those facilities approved for the loan and whose average total reimbursement rate for the care of persons eligible for Medicaid public assistance is equal to forty-eight and no more than fifty dollars per day;

(2) Eight years for those facilities approved for the loan and whose average total reimbursement rate for the care of persons eligible for Medicaid public assistance is greater than fifty and no more than fifty-five dollars per day; or

(3) Five years for those facilities approved for the loan whose average total reimbursement rate for the care of persons eligible for Medicaid public assistance is greater than fifty-five dollars per day.

5. (1) All facilities licensed under this chapter shall be equipped with a complete fire alarm system in compliance with NFPA 101, Life Safety Code for Detection, Alarm, and Communication Systems as referenced in NFPA 72, or shall maintain a system that was approved by the department when such facility was constructed so long as such system is a complete fire alarm system. A complete fire alarm system shall include, but not be limited to, interconnected smoke detectors throughout the facility, automatic transmission to the fire department, dispatching agency, or central monitoring company, manual pull stations at each required exit attendant's station, heat detectors, and audible and visual alarm indicators.

(2) In addition, each floor accessed by residents shall be divided into at least two smoke sections by one-hour rated smoke partitions. No smoke section shall exceed one hundred fifty feet in length. If neither the length nor the width of the floor exceeds seventy-five feet, no smoke-stop partition shall be required. Facilities with a complete fire alarm system and smoke sections meeting the requirements of this subsection prior to August 28, 2007, shall continue to meet such requirements. Facilities initially licensed on or after August 28, 2007, shall comply with such requirements beginning August 28, 2007, or on the effective date of licensure.

(3) Except as otherwise provided in this subsection, the requirements for complete fire alarm systems and smoke sections shall be enforceable on December 31, 2008.

6. The requirements of this section shall be construed to supersede the provisions of section 198.058 relating to the exemption of facilities from construction standards.

7. Notwithstanding section 320.202, RSMo to the contrary, inspections of facilities licensed under this chapter for compliance with this section shall be conducted annually by the state fire marshal if such inspections are not available to be conducted by local fire protection districts or fire departments. The provisions of this section shall be enforced by the state fire marshal.

8. By July 1, 2008, all facilities licensed under this chapter shall submit a plan for compliance with the provisions of this section to the state fire marshal."; and

Further amend said substitute, Section 198.075, Page 6, Lines 1-26, by deleting all of said lines; and

Further amend said substitute, Section 3, Page 12, Line 5, by deleting the number "3" and insert in lieu thereof the number "4"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Cooper (120) offered **House Amendment No. 1 to House Amendment No. 1.**
