[For applications filed in 2005 or 2006, the homestead exemption limit shall be based on the increase to tax liability from 2004 to 2005. For applications filed between April 1, 2005, and September 30, 2006, an eligible owner, who otherwise satisfied the requirements of this section, shall not apply for the homestead exemption credit more than once during such period.] For applications filed [after 2006] **in 2007**, the homestead exemption limit shall be based on the increase to tax liability from two years prior to application to the year immediately prior to application. **For applications filed after 2007, the homestead exemption limit shall be based on the increase to tax liability from the base year to the year prior to the application year. For purposes of this subdivision, "base year" means the year prior to the first year in which the eligible owner's application was approved, or 2006, whichever is later;**

(7) "Income", federal adjusted gross income, and in the case of ownership of the homestead by trust, the income of the settlor applicant shall be imputed to the income of the trust for purposes of determining eligibility with regards to the maximum upper limit;

Pursuant to article X, section 6(a) of the Constitution of Missouri, if in the prior tax year, the property tax liability on any parcel of subclass (1) real property increased by more than the homestead exemption limit, without regard for any prior credit received due to the provisions of this section, then any eligible owner of the property shall receive a homestead exemption credit to be applied in the current tax year property tax liability to offset the prior year increase to tax liability that exceeds the homestead exemption limit, except as eligibility for the credit is limited by the provisions of this section. The amount of the credit shall be listed separately on each taxpayer's tax bill for the current tax year, or

on a document enclosed with the taxpayer's bill. The homestead exemption credit shall not affect the process of setting the tax rate as required pursuant to article X, section 22 of the Constitution of Missouri and section 137.073 in any prior, current, or subsequent tax year.

4. [If application is made in 2005, any potential eligible owner may apply for the homestead exemption credit by completing an application through their local assessor's office. - (3) Record on the application the assessed valuation of the homestead for the current tax year, and any new construction or improvements for the current tax year; and
- (4) Sign the application, certifying the accuracy of the assessor's entries.

6. If application is made after 2005,] Any potential eligible owner may apply for the homestead exemption credit by completing an application. Applications may be completed between April first and October fifteenth of any tax year in order for the taxpayer to be eligible for the homestead exemption credit in the tax year next following the calendar year in which the homestead exemption credit application was completed. The application shall be on forms provided by the department. Forms also shall be made available on the department's Internet site and at all permanent branch offices and all full-time, temporary, or fee offices maintained by the department of revenue. The applicant shall also include with the application copies of receipts indicating payment of property tax by the applicant for the homestead property for the three prior tax years.

[7.] **5.** Each applicant shall send the application to the department by [September thirtieth] **October fifteenth** of each year for the taxpayer to be eligible for the homestead exemption credit in the tax year next following the calendar year in which the application was completed.

[8. If application is made in 2005, upon receipt of the applications, the department shall calculate the tax liability, adjusted to exclude new construction or improvements verify compliance with the maximum income limit, verify the age of the applicants, and make adjustments to these numbers as necessary on the applications. The department also shall disallow any application where the applicant has also filed a valid application for the senior citizens property tax credit, pursuant to sections 135.010 to 135.035, RSMo. Once adjusted tax liability, age, and income are verified, the director shall determine eligibility for the credit, and provide a list of all verified eligible owners to the county collectors or county clerks in counties with a township form of government by December fifteenth of each year. By January fifteenth, the county collectors or county clerks in counties with a township form of government shall provide a list to the department of any verified eligible owners who failed to pay the property tax due for the tax year that ended immediately prior. Such eligible owners shall be disqualified from receiving the credit in the current tax year.

9. If application is made after 2005,] **6.** Upon receipt of the applications, the department shall calculate the tax liability, verify compliance with the maximum income limit, verify the age of the applicants, and make adjustments to these numbers as necessary on the applications. The department also shall disallow any application where the

applicant also has filed a valid application for the senior citizens property tax credit under sections 135.010 to 135.035, RSMo. Once adjusted tax liability, age, and income are verified, the director shall determine eligibility for the credit and provide a list of all verified eligible owners to the county assessors or county clerks in counties with a township form of government by December fifteenth of each year. By January fifteenth, the county assessors shall provide a list to the department of any verified eligible owners who made improvements not for accommodation of a disability to the homestead and the dollar amount of the assessed value of such improvements. If the dollar amount of the assessed value of such improvements totaled more than five percent of the prior year appraised value, such eligible owners shall be disqualified from receiving the credit in the current tax year.

[10.] **7.** The director shall calculate the level of appropriation necessary [to] **and** set the homestead exemption limit at five percent when based on a year of general reassessment or at two and one-half percent when based on a year without general reassessment for the homesteads of all verified eligible owners, and provide such calculation to the speaker of the house of representatives, the president pro tempore of the senate, and the director of the office of budget and planning in the office of administration by January thirty-first of each year.

[11. For applications made in 2005, the general assembly shall make an appropriation for the funding of the homestead exemption credit that is signed by the governor, then the director shall, by July thirty-first of such year, set the homestead exemption limit. The limit shall be a single, statewide percentage increase to tax liability, rounded to the nearest hundredth of a percent, which, if applied to all homesteads of verified eligible owners who applied for the homestead exemption credit in the immediately prior tax year, would cause all but one-quarter of one percent of the amount of the appropriation, minus any withholding by the governor, to be distributed during that fiscal year. The remaining one-quarter of one percent shall be distributed to the county assessment funds of each county on a proportional basis, based on the number of eligible owners in each county; such one-quarter percent distribution shall be delineated in any such appropriation as a separate line item in the total appropriation.]

**8.** If no appropriation is made by the general assembly during any tax year or no funds are actually distributed pursuant to any appropriation therefor, then no homestead preservation credit shall apply in such year.

[12. After setting the homestead exemption limit for applications made in 2005, the director shall apply the limit to the homestead of each verified eligible owner and calculate the credit to be associated with each verified eligible owner's homestead, if any. The director shall send a list of those eligible owners who are to receive the homestead exemption credit, including the amount of each credit, the certified parcel number of the homestead, and the address of the homestead property, to the county collectors or county clerks in counties with a township form of government by August thirty-first. Pursuant to such calculation, the director shall instruct the state treasurer as to how to distribute the appropriation and assessment fund allocation to the county collector's funds of each county or the treasurer ex officio collector's fund in counties with a township form of government where recipients of the homestead exemption credit are located, so as to exactly offset each homestead exemption credit being issued, plus the one-quarter of one percent distribution for the county assessment funds. As a result of the appropriation, in no case shall a political subdivision receive more money than it would have received absent the provisions of this section plus the one-quarter of one percent distribution for the county assessment funds. Funds, at the direction of the county collector or the treasurer ex officio collector in counties with a township form of government, shall be deposited in the county collector's fund of a county or the treasurer ex officio collector's fund or may be sent by mail to the collector of a county, or the treasurer ex officio collector in counties with a township form of government, not later than October first in any year a homestead exemption credit is appropriated as a result of this section and shall be distributed as moneys in such funds are commonly distributed from other property tax revenues by the collector of the county or the treasurer ex officio collector of the county in counties with a township form of government, so as to exactly offset each homestead exemption credit being issued. In counties with a township form of government, the county clerk shall provide the treasurer ex officio collector a summary of the homestead exemption credit for each township for the purpose of distributing the total homestead exemption credit to each township collector in a particular county.

[13.] **9.** If, in any given year after 2005, the general assembly shall make an appropriation for the funding of the homestead exemption credit that is signed by the governor, then the director shall[, by July thirty-first of such year, set the homestead exemption limit. The limit shall be a single, statewide percentage increase to tax liability, rounded to the nearest hundredth of a percent, which, if applied to all homesteads of verified eligible owners who applied for the homestead exemption credit in the immediately prior tax year, would cause all of the amount of the appropriation, minus any withholding by the governor, to be distributed during that fiscal year] **determine the apportionment percentage by equally apportioning the appropriation among all eligible applicants on a percentage basis.** If no appropriation is made by the general assembly during any tax year or no funds are actually distributed pursuant to any appropriation therefor, then no homestead preservation credit shall apply in such year.

[14.] **10.** After [setting the homestead exemption limit for applications made after 2005, the director shall apply the limit to the homestead of each verified eligible owner and] **determining the apportionment percentage, the**

**director shall** calculate the credit to be associated with each verified eligible owner's homestead, if any. The director shall send a list of those eligible owners who are to receive the homestead exemption credit, including the amount of each credit, the certified parcel number of the homestead, and the address of the homestead property, to the county collectors or county clerks in counties with a township form of government by August thirty-first. Pursuant to such calculation, the director shall instruct the state treasurer as to how to distribute the appropriation to the county collector's fund of each county where recipients of the homestead exemption credit are located, so as to exactly offset each homestead exemption credit being issued. As a result of the appropriation, in no case shall a political subdivision receive more money than it would have received absent the provisions of this section. Funds, at the direction of the collector of the county or treasurer ex officio collector in counties with a township form of government, shall be deposited in the county collector's fund of a county or may be sent by mail to the collector of a county, or treasurer ex officio collector in counties with a township form of government, not later than October first in any year a homestead exemption credit is appropriated as a result of this section and shall be distributed as moneys in such funds are commonly distributed from other property tax revenues by the collector of the county or the treasurer ex officio collector of the county in counties with a township form of government, so as to exactly offset each homestead exemption credit being issued.

[15.] **11.** The department shall promulgate rules for implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void. Any rule promulgated by the department shall in no way impact, affect, interrupt, or interfere with the performance of the required statutory duties of any county elected official, more particularly including the county collector when performing such duties as deemed necessary for the distribution of any homestead appropriation and the distribution of all other real and personal property taxes.

[16.] **12.** In the event that an eligible owner dies or transfers ownership of the property after the homestead exemption limit has been set in any given year, but prior to January first of the year in which the credit would otherwise be applied, the credit shall be void and any corresponding moneys[, pursuant to subsection 12 of this section,] shall lapse to the state to be credited to the general revenue fund. In the event the collector of the county or the treasurer ex officio collector of the county in counties with a township form of government determines prior to issuing the credit that the individual is not an eligible owner because the individual did not pay the prior three years' property tax liability in full, the credit shall be void and any corresponding moneys[, under subsection 11 of this section,] shall lapse to the state to be credited to the general revenue fund.

[17. This section shall apply to all tax years beginning on or after January 1, 2005. This subsection shall become effective June 28, 2004.

[18.] **13.** In accordance with the provisions of sections 23.250 to 23.298, RSMo, and unless otherwise authorized pursuant to section 23.253, RSMo:

(1) Any new program authorized under the provisions of this section shall automatically sunset six years after the effective date of this section; and

(2) This section shall terminate on September first of the year following the year in which any new program authorized under this section is sunset, and the revisor of statutes shall designate such sections and this section in a revision bill for repeal."; and

The director shall issue the retail sales license within ten working days following the receipt of a properly completed application. Any person applying for a retail sales license or reinstatement of a revoked sales tax license who owes any tax under sections 144.010 to 144.510 or sections 143.191 to 143.261, RSMo, must pay the amount due plus interest and penalties before the department may issue the applicant a license or reinstate the revoked license. All persons beginning business subsequent to August 13, 1986, and who are required to collect the sales tax shall secure a retail sales license prior to making sales at retail. Such license

The amount added pursuant to this paragraph shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of Section 265 of the Internal Revenue Code. The reduction shall only be made if it is at least five hundred dollars;

(c) The amount of any deduction that is included in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002; and

(d) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by Section 172(b)(1)(G) and Section 172(I) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this paragraph after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(a) Interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this paragraph shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this paragraph. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(b) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(c) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(d) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(e) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(f) The portion of capital gain specified in section 135.357, RSMo, that would otherwise be included in federal adjusted gross income;

(g) The amount that would have been deducted in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(h) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which armed forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone; [and]

(i) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an addition modification was made under paragraph (c) of subsection 2 of this section, the amount by which addition modification made under paragraph (c) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in paragraph (g) of this subsection;

**(j) For all tax years beginning on or after January 1, 2007, the amount of any tuition the taxpayer pays for a student who has completed high school to attend any public institution of postsecondary education, including a university, college, vocational and technical school, and other postsecondary institutions, located within this state.**

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof."; and

2. There shall be added to the taxpayer's federal adjusted gross income:

(a) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit;

(b) Interest on certain governmental obligations excluded from federal gross income by Section 103 of the Internal Revenue Code. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (a) of subsection 3 of this section. The amount added pursuant to this paragraph shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of Section 265 of the Internal Revenue Code. The reduction shall only be made if it is at least five hundred dollars;

(c) The amount of any deduction that is included in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002; and

(d) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by Section 172(b)(1)(G) and Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this paragraph after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(a) Interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this paragraph shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this paragraph. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(b) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(c) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(d) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(e) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(f) The portion of capital gain specified in section 135.357, RSMo, that would otherwise be included in federal adjusted gross income;

(g) The amount that would have been deducted in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(h) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which armed forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone; [and]

(i) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an addition modification was made under paragraph (c) of subsection 2 of this section, the amount by which addition modification made under paragraph (c) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in paragraph (g) of this subsection;

**(j) For all tax years beginning on or after January 1, 2007, the amount of any tuition the taxpayer pays for a student who has completed high school to attend any public or private institution, except any private**

**institution that has an employee or consultant that is a member of the Missouri General Assembly or that has an employee that is a registered sex offender, of postsecondary education, including a university, college, vocational and technical school, and other postsecondary institutions, located within this state.**

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof."; and
