

JOURNAL OF THE HOUSE

First Regular Session, 94th GENERAL ASSEMBLY

SEVENTY-SECOND DAY, THURSDAY, MAY 10, 2007

The House met pursuant to adjournment.

Speaker Pro Tem Bearden in the Chair.

Prayer by Dr. Phil McClenden, Calvary Baptist Church, Joplin.

Our Father, we praise You for Your love that embraces us and gives us security, Your joy that uplifts us and gives us resiliency, Your peace that floods our hearts and gives us calmness, Your spirit that fills us and gives us strength and fortitude.

Guide us, Lord, so we can maximize the hours of this week. Help us to think clearly without confusion, to speak without resentment, to debate without division and to decide courageously without strife.

May our speech honor You and deal with issues and not personalities. Grant the Representatives Your grace to work this week as the honorable men and women who love You and count it a high privilege to serve as leaders of our beloved nation.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Grant Joseph Norton, Sydney Hoppe, Thomas Stauffer, Brian Stauffer and Christian Rehder.

The Journal of the seventy-first day was approved as corrected by the following vote:

Such card shall be evidence that the licensee is licensed under sections 324.1100 to 324.1148. When any person to whom a card is issued terminates such person's position, office, or association with the licensee, the card shall be surrendered to the licensee and within five days thereafter shall be mailed or delivered by the licensee to the board of private investigator examiners for cancellation. Within thirty days after any change of address, a licensee shall notify the board of the address change. 324.1126. 1. Any license issued under sections 324.1100 to 324.1148 shall expire two years after the date of its issuance. Renewal of any such license shall be made in the manner prescribed for obtaining an original license, including payment of the appropriate fee, except that:

(4) Additional information may be required by rules and regulations adopted by the board of private investigator examiners.

2. A licensee shall at all times be legally responsible for the good conduct of each of the licensee's employees or agents while engaged in the business of the licensee and the licensee is legally responsible for any acts committed by such licensee's employees or agents which are in violation of sections 324.1100 to 324.1148. A person receiving an agency license shall directly manage the agency and employees.

3. A license issued under sections 324.1100 to 324.1148 shall not be assignable.

324.1128. 1. Any licensee may divulge to the board, any law enforcement officer, prosecuting attorney, or such person's representative any information such person may acquire about any criminal offense. The licensee may instruct his or her client to divulge such information if the client is the victim, but such person shall not divulge to any other person, except as he or she may be required by law, any information acquired by such person at the direction of the employer or client for whom the information was obtained.

2. No licensee officer, director, partner, associate, or employee thereof shall:

(1) Knowingly make any false report to his or her employer or client for whom information was being obtained;

Such licensee shall file with the board the complete address of the location of the licensee's principal place of business. The board may require the filing of other information for the purpose of identifying such principal place of business.

324.1132. Every advertisement by a licensee soliciting or advertising business shall contain the licensee's name, city, and state as it appears in the records of the board of private investigator examiners. No individual or business can advertise as a private investigator, private detective, or private investigator agency without including their state private investigator or private investigator agency license number in the advertisement. A licensee shall not advertise or conduct business from any Missouri address other than that shown on the records of the board as the licensee's principal place of business unless the licensee has received an additional agency license for such location after compliance with the provisions of sections 324.1100 to 324.1148 and such additional requirements necessary for the protection of the public as the board may prescribe by regulation. A licensee shall notify the board in writing within ten days after closing or changing the location of a branch office. The fee for the additional license shall be one-half the cost of the fee for the agency's original license.

324.1134. 1. The board may suspend or refuse to renew any certificate of registration or authority, permit or license required under sections 324.1100 to 324.1148 for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the suspension or refusal and shall advise the applicant of the applicant's right to file a complaint with the administrative hearing

commission as provided by chapter 621, RSMo. As an alternative to a refusal to issue or renew any certificate, registration or authority, the board may, at its discretion, issue a license which is subject to probation, restriction or limitation to an applicant for licensure for any one or any combination of causes stated in subsection 2 of this section. The board's order of probation, limitation or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited or restricted license seeking review of the board's determination. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board's decision shall be considered as waived.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any certificate of registration or authority, permit or license required by this chapter or any person who has failed to renew or has surrendered the person's certificate of registration or authority, permit or license for any one or any combination of the following causes:

- (7) Using any letterhead, advertisement, or other printed matter, or in any manner whatever represented that such person is an instrumentality of the federal government, a state, or any political subdivision thereof;
- (8) Using a name different from that under which such person is currently licensed in any advertisement, solicitation, or contract for business; or
- (9) Committing any act which is grounds for denial of an application for a license under section 324.1112.

3. The record of conviction, or a certified copy thereof, shall be conclusive evidence of such conviction, and a plea or verdict of guilty is deemed to be a conviction within the meaning thereof.

4. The agency may continue under the direction of another employee if the licensee's license is suspended or revoked by the board. The board shall establish a time frame in which the agency shall identify an acceptable person who is qualified to assume control of the agency, as required by the board.

5. After the filing of a complaint before the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621, RSMo. Upon a finding by the administrative hearing commission that the grounds in subsection 1 of this section for disciplinary action are met, the board may singly or in combination censure or place the person named in the complaint on probation under such terms and conditions as the board deems appropriate for a period not to exceed five years, may suspend for a period not to exceed three years, or revoke the license.

Each private investigator or investigator agency operating under the provisions of sections 324.1100 to 324.1148 shall be required to keep a complete record of the business transactions of such investigator or investigator agency for a period of seven years. Upon the service of a court order issued by a court of competent jurisdiction or upon the service of a subpoena issued by the board that is based on a complaint supported by oath or affirmation, which particularly describes the records and reports, any licensed private investigator who is the owner, partner, director, corporate officer, or custodian of business records shall provide an opportunity for the inspection of the same and to inspect reports made. Any information obtained by the board shall be kept confidential, except as may be necessary to commence and prosecute any legal proceedings. The board shall not personally enter a licensee's place of business to inspect records, but shall utilize an employee

of the division of professional registration to act as a gatherer of information and facts to present to the board regarding any complaint or inspection under investigation.

2. For the purpose of enforcing the provisions of sections 324.1100 to 324.1148, and in making investigations relating to any violation thereof, the board shall have the power to subpoena and bring before the board any person in this state and require the production of any books, records, or papers which the board deems relevant to the inquiry. The board also may administer an oath to and take the testimony of any person, or cause such person's deposition to be taken, except that any applicant or licensee or officer, director, partner, or associate thereof shall not be entitled to any fees or mileage. A subpoena issued under this section shall be governed by the Missouri rules of civil procedure and shall comply with any confidentiality standards or legal limitations imposed by privacy or open records acts, fair credit reporting acts, polygraph acts, driver privacy protection acts, judicially recognized privileged communications, and the bill of rights of both the United States and Missouri Constitutions. Any person duly subpoenaed who fails to obey such subpoena without reasonable cause, or without such cause refuses to be examined or to answer any legal or pertinent question as to the character or qualification of such applicant or licensee or such applicant's alleged unlawful or deceptive practices or methods, shall be guilty of a class A misdemeanor. The testimony of witnesses in any investigative proceeding shall be under oath.

This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly under chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.
