This bill specifies that in Pulaski County, for the purpose of collecting a transient guest tax, the term "transient guest" means a person who occupies a room in a hotel or motel for 90 days or less during any calendar quarter.

The bill also repeals a duplicate version of this provision enacted in 1998.

FISCAL NOTE: No impact on state funds in FY 2008, FY 2009, and FY 2010.
