

HB 126 -- Salary Schedules of County Officials

Sponsor: Franz

This bill extends the assessed valuation tables upon which the salaries of certain county officials are based to include higher assessed values. The only county officials affected are county commissioners, recorders of deeds, and county collectors in all counties except charter counties and certain counties of the first classification; county clerks and county assessors in all counties except those of the first classification; county treasurers in Clay County and counties of the second, third, and fourth classification; and county prosecuting attorneys and county coroners in noncharter counties.
