

HB 202 -- Juvenile Court Personnel

Sponsor: Franz

This bill redefines "juvenile court employee" to include juvenile court personnel who were paid by a grant, allowing this service to be creditable for retirement purposes.

Juvenile officers in single county circuits will be allowed to receive creditable prior service in the Missouri State Employees' Retirement System (MOSERS) for employment as a juvenile court employee prior to July 1, 1999, if the service is not credited in a county retirement plan.
