

HB 292 -- Falsifying a Drug or Alcohol Test

Sponsor: Roorda

This bill creates the crime of altering or falsifying a drug or alcohol test, a class D felony. The crime is committed when a person knowingly alters or falsifies a drug or alcohol test by:

- (1) Using any device designed to alter or falsify the test;
- (2) Submitting an altered or false biological sample;
- (3) Submitting a sample collected from another person or an animal; or
- (4) Submitting false documents or making false material statements with the intent to alter or falsify a test.

The bill also makes it a class A misdemeanor to sell or transport a biological sample with the intent to alter or falsify a test or to sell or transport an adulterant for these samples. An adulterant is any substance that can be added to a sample to corrupt it.
