

HB 379 -- Child Support

Sponsor: Wildberger

This bill changes the laws regarding the continuation of child support when a child is attending an institution of higher education. A child is required to submit transcripts or other documentation to each parent prior to the beginning of classes for each semester that the child is enrolled in and has completed each term, the grades and credits received for each course, and a listing of courses and the number of credits the child is enrolled in for the upcoming term.

Currently, a child is required to submit documentation to each parent at the beginning of each semester.
