

HB 638 -- Fee Office Contracts

Sponsor: Scavuzzo

This bill requires the Department of Revenue to award fee office contracts in the following priority:

- (1) To school districts or coalitions of school districts;
- (2) To charitable organizations; and
- (3) To individuals through a competitive bidding process.

Any revenues generated as a result of the competitive bidding process must be distributed on a per-pupil basis to the school districts in the county where the fee office is located.
