

HB 756 -- Littering

Sponsor: Jetton

This bill increases the penalties for littering by requiring at least 40 hours of community service and a \$600 restitution payment. One-half of the restitution payment will be deposited into the county law enforcement restitution fund, and the remaining one-half will be deposited into the county school fund. If the county in which the crime occurred does not have a county law enforcement restitution fund, the entire amount will be deposited into the county school fund.
