

HB 958 -- Transient Guest Tax

Sponsor: Wood

This bill authorizes any second, third, or fourth classification county to impose a transient guest tax, upon voter approval, on all hotel or motel sleeping rooms within the county. The tax cannot be more than one cent and must be used for the promotion of tourism within the county.

Counties which impose the tax must establish a five-member tourism commission. The bill specifies the membership of the commission and the term of each commissioner.
