

HB 1084 -- Chronic Kidney Disease Task Force

Sponsor: Cooper (155)

This bill establishes the Chronic Kidney Disease Task Force and requires the Department of Health and Senior Services to provide the necessary staff, research, and meeting facilities. The task force is required to:

- (1) Develop a plan to educate the public and health care professionals about early screening, diagnosis, treatment, and complications of chronic kidney disease;
- (2) Make recommendations regarding the implementation of the plan;
- (3) Identify barriers to the adoption of best practices; and
- (4) Submit a report of its findings and recommendations to the General Assembly within one year of the first task force meeting.
