

HB 1151 -- Special License Plates for Convicted Driving While
Intoxicated Offenders

Sponsor: Wilson (130)

This bill requires the issuance of a special license plate to persons who have been found guilty of or pled guilty to driving while intoxicated. The special plates will be a color that is easily distinguishable from other plates and must be displayed on the vehicle for a one-year period. An additional annual fee equal to the amount charged for a personalized license plate will be assessed.
