

HB 1157 -- Licensure of Fire Sprinkler Installers

Sponsor: Wasson

This bill requires fire sprinkler contractors, installers, and installer assistants to be licensed with the Division of Professional Registration within the Department of Insurance, Financial Institutions, and Professional Registration. A person is prohibited from installing, inspecting, dismantling, maintaining, or repairing any fire sprinkler system unless he or she is duly licensed by the division. The bill establishes certain criteria which must be met to obtain a license.
