

HB 1208 -- Driver's Education Instruction

Sponsor: Davis

This bill requires each school district to offer a driver's education course and authorizes a \$15 surcharge on each moving violation to be deposited into the newly created Driver's Education Fund. Districts may apply for a grant from this fund through the Department of Elementary and Secondary Education, which will allocate moneys in proportion to the tax base of the district, with greater amounts going to the districts with lower assessed valuation.
