FISCAL ANALYSIS

ASSUMPTION

Officials of the **Kansas City Attorney's Office** assume no fiscal impact to the City.

Officials of the **City of West Plains** assume there could be a negative impact to the city if it were forced to collect its own taxes.

Officials of **Webb City** assume no fiscal impact.

Officials of the **City of Centralia** assume no fiscal impact.

Officials of the **Cass County Clerk's** office assume no fiscal impact.

Officials of **St. Louis County** assume no fiscal impact.

Officials of the **Clinton County Commission** assume there could be some administrative impact.

Oversight assumes that on agreement of the parties, current law allows payment to be made directly to county. This proposal would remove the other options of payment to the county officer, or to both the officer and the county. **Oversight** assumes to pay only the county would have no fiscal impact to either the city or county. **Oversight** assumes no state fiscal impact.
