## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Health and Senior Services, Department of Public Safety, Office of Administration, Missouri Health Facilities Review Committee** and the **Department of Mental Health** each assume the proposal would have no fiscal impact on their respective agencies.

Officials from the **Department of Social Services** assume the proposal does not change the requirements for facilities to install approved sprinkler systems. It allows facilities who have submitted a plan for compliance either NFPA 13 or NFPA 13R to apply for a loans from the Department of Health and Senior Services.

Since the requirements to install approved sprinkler systems have not changed, the MO HealthNet Division assumes no impact.
