FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator, Department of Social Services, Department of Revenue, Department of Corrections, Missouri Department of Conservation, Department of Public Safety (DPS) - Director's Office, DPS - Missouri State Highway Patrol, and Missouri Consolidated Health Care Plan** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Office of Administration (COA) - Administrative Hearing Commission** anticipate this legislation will not significantly alter its caseload. However, if other similar bills also pass, there are more cases, or the cases are more complex, there could be a fiscal impact.

Officials from the **Missouri Department of Transportation (DOT)** state the proposal does not mandate any additional insurance coverage; therefore, it will not have an impact on the DOT or the DOT/Missouri State Highway Patrol medical plan.

Officials from the **Office of Secretary of State (SOS)** state the fiscal impact for this proposal for Administrative Rules is less than \$2,500. The SOS does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the SOS can sustain within its core budget. Therefore, the SOS reserves the right to request funding for the costs of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the Governor.

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** state that having reviewed the proposed legislation and having sought the conclusion of the appropriate board(s), they are of the opinion this proposal, in its present form, has no fiscal impact on their organization.

FISCAL IMPACT - Small Business

The proposal may impact small business physical therapy practices as the physical therapists will no longer always have to have a prescription from a physician before providing service to a client. The proposal may also have an administrative impact on these types of small businesses.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
