FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator** assume the proposal will have no fiscal impact on their organization.

Officials from the **Office of Attorney General** assume any potential costs arising from this proposal can be absorbed with existing resources.

Officials from the **Office of Administration (COA) - Administrative Hearing Commission** anticipate this legislation will not significantly alter its caseload. However, if other similar bills also pass, there are more cases, or the cases are more complex, there could be a fiscal impact.

Officials from the **Office of Secretary of State (SOS)** state the fiscal impact for this proposal for Administrative Rules is less than \$2,500. The SOS does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the SOS can sustain within its core budget. Therefore, the SOS reserves the right to request funding for the costs of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the Governor.

Officials from the **Department of Insurance, Financial Institutions and Professional Registration (DIFP)** state this legislation amends Chapter 436 relating to preneed funeral contracts; allows the board to randomly audit preneed providers and sellers; and authorizes the board to promulgate rules related to Chapter 436.

The board does not expect that additional FTE will be required to implement this proposal. However, should additional reporting requirements or fiscal analysis of preneed contracts be required, additional FTE may be requested. Additional appropriation authority may be requested to allow for the assessment of charges related to inspections, investigations, examinations, or audits. Therefore, the board reserves the right to request additional FTE and appropriation authority should the need arise based on a review of the finally approved bill signed by the Governor.
