To amend chapter 173, RSMo, by adding thereto one new section relating to combat veterans.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 173, RSMo, is amended by adding thereto one new section, to be
2 known as section 173.900, to read as follows:

**173.900. 1. This act shall be known and may be cited as the "Missouri Returning
2 Heroes' Education Act".**

**3 2. For the purpose of this section, the term "combat veteran" shall mean a person
4 who served in armed combat in the military after September 11, 2001, and to whom the
5 following criteria shall apply:**

6 (1) The veteran was a Missouri resident when first entering the military; and

7 (2) The veteran was discharged from military service under honorable conditions.

9 appropriated by the general assembly shall limit the amount of tuition such institutions
10 charge to combat veterans to fifty dollars per credit hour, as long as the veteran achieves
11 and maintains a cumulative grade point average of at least two and one-half on a four
12 point scale, or its equivalent. The tuition limitation shall only be applicable if the combat
13 veteran is enrolled in a program leading to a certificate, or an associate or baccalaureate

15 this section shall expire at the end of the ten-year period beginning on the date of such
16 veteran's last discharge from service.

17 4. The coordinating board for higher education shall ensure that all applicable
18 institutions of higher education in this state comply with the provisions of this section and
19 may promulgate rules for the efficient implementation of this section.

20 5. If a combat veteran is eligible to receive financial assistance under any other
21 federal or state student aid program, public or private, the full amount of such aid shall
22 be reported to the board by the institution and the veteran. The tuition limitation under

25 attendance when the limitation is combined with other aid made available to such veteran.

26 6. Each institution may report to the board the amount of tuition waived in the
27 previous fiscal year under the provisions of this act. This information may be included in
28 each institution's request for appropriations to the board for the following year. The
29 board may include this information in its appropriations recommendations to the governor
30 and the general assembly. The general assembly may reimburse institutions for the cost
31 of the waiver for the previous year as part of the operating budget. Nothing in this

37 applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable
38 and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo,
39 to review, to delay the effective date, or to disapprove and annul a rule are subsequently
40 held unconstitutional, then the grant of rulemaking authority and any rule proposed or
41 adopted after August 28, 2008, shall be invalid and void.
